On the road section to the SS, the English driving style will apply (driving on the **left side of the road**), this will apply from the service to the start of SS and from the flying finish to the service park.

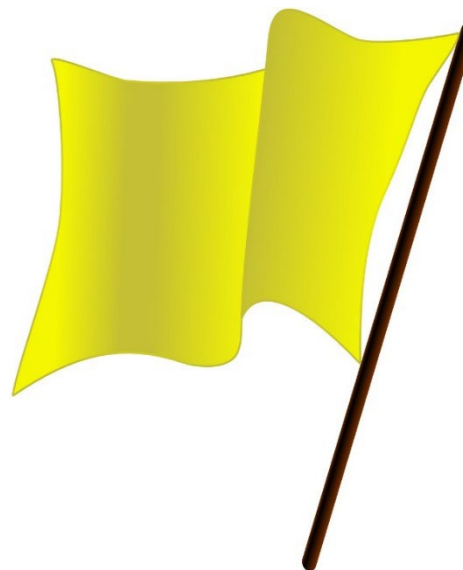

ROAD SECTION

On the road section to the SS, the English driving style will apply (**driving on the left side of the road**), this will apply for the access to the start of SS, as well as from the flying finish to the entrance to the service zone.

The speed on the road section is limited to **20 km/h**, as there will be a footpath for spectators along the road. The base on the road section is concrete, i.e. it slippery.

Crews must be in the pre-start area **5 minutes** before their start time.

Respect the flag signals

SERIOUS DANGER
Reduce your speed.
Be prepared to stop.

SHAKEDOWN

The shakedown will take place on Saturday 1st of February 2025 **between 13:00 and 15:00**.

Competitors who would like to participate on the Shakedown must register for it, with a special forms at administrative checks and pay an application fee of 50€.

The length of the Shakedown is **3.51 km**, entirely on gravel. Start interval between cars on shakedown is **30 seconds**. Only **one lap** is driven.

After finishing the shakedown, the competitors must drive to the tent and from there to the start of the shakedown.

There will be no start list for the Shakedown.

SPECIAL STAGE

The special stage will take place without time controls, before the special stage there will be a pre-start area in which the competitors must be **5 minutes** before their start on a special stage .

The start of the special stage will be on gravel, so stones can fly from under the wheels when the cars start on a special stage, the competitors should keep the marked distance while waiting for their start.

After passing the flying **finish**, it is necessary to immediately reduce the speed, so that the vehicle can stop in **200 meters**, on the point where there will also be an information board with the results of the special stage .
