

Bulletin #1:

August 13, 2025 – 20:00

1. **Event Steward**

The Event Steward for the 2025 Ojibwe Forests Rally will be:
Michael Hordijk - hoffbrinkle@gmail.com

2. **Sanction Exemption – Fuel Mileage**

A sanction exemption has been granted for RCR 1.6 due to the total stage miles between refuel opportunities being 32.64 which is 2.64 miles over the maximum stage miles allowed. The refuel mileage interval applies to Section 2 and 3 on Friday stages.

3. **SS 20 Recce times**

Due to the distance to Bemidji where SS 20 will take place, and the fact it is located on city streets by hotels where teams may be staying, there is no restriction on when recce of SS 20 can be done until 12pm on Saturday August 23. The road can be recce'd any time before that time and due to SS 20 being open for recce outside of normal recce time, note that, with the following exceptions, the usual rules for recce will not be enforced on that stage:

- RCR 1.2.1.b
- RCR 1.2.1.d
- RCR 1.2.1.e

4. **Parc Ferme prior to SS 20**

The area in the route book shown as Parc Ferme for the Sanford Center stage, SS 20, shall be considered part of the transit and not a Parc Ferme. All applicable rules for a transit apply, however we expect that our spectators to come visit the teams while waiting for SS 20 to start.

5. **SS 20 Lighting consideration**

SS 20 should be completed well before dark. In the case of a significant delay, a bulletin would be issued to address the potential of night running.
