SERVICE PADDOCK INFORMATION

USE

Mandatory information for riders and service teams

- The Service Paddock is not a riders' paddock. Assistants may, however, sleep in the service vehicles remaining there.
- The official paddock is located on the premises of Maschinenbau Klädtke GmbH and Möbel Vogler, Alte Marienberger Straße 20-35, 09432 Hohndorf, Municipality of Großolbersdorf.
- No individual rider has a legal entitlement to a service space.
- All available space in the Service Paddock is reserved exclusively for riders.
- The layout and allocation of the Service Paddock are shown in the appendix.

ORGANISATION AND ACCESS

Allocation of spaces and access permits

- For each country, access permits are organised and allocated by the designated representative. Each country shall appoint one representative.
- For Germany, the representative will be appointed by the Verein für Endurosport.
- The first vehicles may enter the service area from 08:00 on 28.09.2026. At 07:59, only the previously delivered containers of the USA and the Verein für Endurosport will be present.
- Unauthorised service vehicles will be towed away. Dealers and other separate service providers will not be granted access to the Service Paddock.
- Partners and dealers, such as Mefo, Acerbis and clothing suppliers, are located in the official paddock in Hohndorf.

ABSOLUTE BAN ON VEHICLE MOVEMENTS

for all service vehicles

- Wednesday, 30.09.2026: 13:00-17:30
- Thursday, 01.10.2026: 09:00-17:30
- Friday, 02.10.2026: 09:00-17:30

SAFETY AND ENVIRONMENTAL PROTECTION

Obligations in the service area

- Each service team must keep a suitable fire extinguisher readily accessible.
- An environmental mat must be used whenever work is carried out on a motorcycle.
- Waste must be disposed of in the designated containers or taken away.
- Anchoring or drilling into the asphalt surface is prohibited.
