10. FIM Enduro Vintage Trophy 2026

Zschopau - Germany | 29.09.-03.10.2026 | IMN 415/01

It is difficult for us to find the right words after these very busy and eventful weeks. We are still overwhelmed by the many positive impressions and feel a deep sense of gratitude. For this reason, we simply want to say thank you.

Thank you to all the volunteers and supporters from every area of this 10th FIM Enduro Vintage Trophy 2026 in Zschopau. It will probably take some time before we can truly comprehend everything that everyone achieved here.

Thank you to all the people living and working around the event, for whom enduro sport does not hold the same importance as it does for us as organisers. Thank you for your tolerance and understanding of our sport.

Thank you to all the riders. It is by no means a matter of course that 430 riders from Germany and around the world made their way to Zschopau.

Thank you also for everything that was beyond our control. We could not have written a better script for the weather throughout the entire week. Four days of pure motorsport, with such close contact between fans and riders as is rarely possible elsewhere, passed without any significant incidents.

On behalf of the Executive Board, as well as all the volunteers and riders, we are extremely proud of what was achieved. We will carry these wonderful memories in our hearts for a long time to come.
