

Birr & District Motor Club

Endurance Trial

Sunday 11th October 2026

A Message from the COC

12th October 2026

First of all, a huge thank you to Lusmagh GAA for the hospitality and for making us feel so welcome. It's greatly appreciated, and we're very lucky to have the support of local organisations like them.

I'd also like to say a massive thank you to my team of helpers. These events don't happen without a great crew behind the scenes, and the time, effort and commitment you put in is second to none. I couldn't have done it without you all, and I'm very grateful to every one of you for giving up your time to help out.

To all the landowners, thank you for allowing us onto your land and for supporting the event. We know that without your generosity and trust, we simply wouldn't be able to run events like this, so it's hugely appreciated.

I'd like to thank the Birr & District Motor Club for putting their faith in me as Clerk of the Course. I really appreciate the confidence shown in me, and I hope I've done the job justice. It's a big team effort, and I'm delighted to have been part of it.

Finally, thank you to everyone who competed, everyone who helped out, and everyone who came along and supported the event. It takes a lot of people working together to make a day like this happen, and everyone has played their part.

I hope you all enjoyed the day, got home safely, and we'll hopefully see you all again at the next one.

Yours in Motorsport,
Eoin Stapleton
Clerk of the Course
