Dear Teams,
Enjoy & Fun, organizer of the FIM 6DAYS® Enduro of Nations 2026, is pleased to provide the following information regarding container handling and rental services for the event.

Container unloading and loading dates

Container unloading services will be available on 1st, 2nd and 5th of October 2026, between 8h and 20h.

As 5th October is a public holiday in Portugal, we strongly recommend scheduling the delivery and unloading of your containers for 1st or 2nd October, whenever possible.

Teams requiring unloading on 5th October must notify the organization in advance so that the necessary arrangements can be made.

Loading containers will be on the 19th of October.

Early arrival and temporary trailer parking

To facilitate transportation arrangements and prevent delays during the paddock setup, trucks carrying containers may arrive from 28th of September 2026.

Teams may leave their semi-trailers in the designated parking area inside the paddock until the scheduled unloading operation.

The organization will provide a tractor unit to move the semi-trailers between the parking area and the designated loading and unloading area.

Once the operation has been completed, the semi-trailers will be returned to the parking area.

Teams are encouraged to arrange transportation as early as possible, particularly if they wish to schedule unloading for 1st or 2nd October.
