Environmental Communications

FIM RIDE GREEN

We remind you that teams are entirely responsible for the proper routing of their sewage and wastewater. These discharges must be directed to the various drains available throughout the paddock. It is mandatory to ensure that the discharge hoses are inserted directly into the drain, as it is strictly prohibited to have any running water flowing on the ground.

Washing Zone

FIM RIDE GREEN

We remind you that teams are entirely responsible for the proper routing of their sewage and wastewater. These discharges must be directed to the various drains available throughout the paddock. It is mandatory to ensure that the discharge hoses are inserted directly into the drain, as it is strictly prohibited to have any running water flowing on the ground.

Motorcycle and Equipment Washing
We remind all participants and teams that washing motorcycles and equipment in the paddock is strictly prohibited.

To ensure compliance with the event's environmental regulations, there are 2 commercial washing zones available:
https://maps.app.goo.gl/PC7hoNj1oBvACnsH8?g_st=aw
https://maps.app.goo.gl/9ETBjVnC7BQa82wW9?g_st=aw
