4. ENTRIES AND INSURANCE

4.1 Entry procedure

Those who wish to take part in the 13 Rally Show Santa Domenica 2023 must fill out the [Entry Form](https://www.rssd.hr) published at [rssd.hr](https://www.rssd.hr) (Competitors section) and send it duly completed before the closing date for entries.

The closing date for entries is **15 November 2023 - 24:00**.

The received Entry and paid Entry fee are necessary for inclusion in the Entry List.

An Organizer without prior timely obligations is not obliged to assign a crew to the Entry List.

The crews (driver and co-driver) who wish to participate will be allowed to compete without possession of their National Automobile Federation License. In contrast, a valid driver's license is mandatory for all drivers.

Participants without a valid driver's license can participate only as co-driver members of the crew.

The above options are not applicable to drivers under 18 or over 60.

Drivers aged 16 to 18 on the start day of the competition (24 November 2023) will be allowed to compete only by possessing their National Automobile Federation License, and they must provide a public notary document (which permits participation in Autosport) notarized by their parents at Administrative checks.

Participants aged 16 to 18 on the start day of the competition (24 November 2023) without possessing the National Automobile Federation License can compete only as Co-Drivers. They must provide a public notary document (which permits participation in Autosport) notarized by parents at Administrative checks.

There will be a possibility of a double start (two different crews with the same car and the start of the same driver/Co-driver within two different rally crews), with a separate Entry Form and a separate fee for each crew.

4.2 Number of entrants

The number of entrants is limited to **90**.

60 + additional **30** for Priority crews who received Organizer's „wildcard“ invitations.

If more than 90 entries are received, the Organizers reserve the right to extend this number or decide which entries among the Non-Priority crews will be not accepted or transferred to the waiting list.

Crews with "wild card" invitations will automatically be included in the Entry List.

The organizer has the right to reject the application of a particular crew without giving reasons why it was done.

4.3 Entry fee

The Entry fee containing non-obligatory advertisements is payable according to the table below as a voluntary contribution to the organization of the event.

The Entry fee is expressed in kunas and euros. When calculating, a fixed conversion rate of 7.53450 kn for 1.00 € is used.

CLOSING DATE FOR ENTRIES: 15 NOVEMBER 2023 - 24:00	
Up to 15 November 2023	400,00 €
From 16 November 2023	600,00 €

Entry Fee for **junior drivers** (drivers under the age of 23) is **250,00 € until 15 November 2023** or **350,00 € from 16 November 2023**.

Should the crew refuse non-obligatory advertisement by Organizers, the double Entry fee shall be applied.

Entry will be duly received only if the total membership fee is paid or if the organizer decides otherwise.

Evidence of payment should be sent to the organizer or shown at the Administrative check.

Love Samobor

How beautiful Samobor is! Its proximity to the capital gives it a charm of country life, the way it does to Tibur, Tivoli, Versailles, Schonbrunn or Winsdor.

Its surroundings are a happy combination of highlands and a plain, meadow and forest, garden and wilderness, river and mountain, village and hamlet, town and country. Samobor is one of the most Croatian places of Croatia.
