Driving a Porsche 911 3200 ~ White ~ PWJ546 ~ 1976

Driver Name	Richard Williams – Club Truro
Navigator Name	Tim Fillingham – Club Truro
	Tim and I have been friends since the mid eighties and used to compete in local 12 car rallies back then. More recently we have competed in Majorca classic tarmac rally for the last two years and are now looking to do more in England. The Porsche 911 group 4 is a replica of the famous Eminence factory rally, freshly built by Williams Crawford.
