

## Focus on David Chislett and Alfie Element

### Driving a Porsche SC 3000 ~ White ~ WHZ 7 ~ 1973

Driver Name	David Chislett – Club Aberdare Motor Club
Navigator Name	Alfie Element – Club Aberdare Motor Club
	The car is a 1973 Porsche 911 SC built to RS spec; it has a 3-litre engine. Dave has been rallying his Porsche SC for two years. He is heavily into enduro motorbiking and has competed around Europe. Dave has done various single and multi-venue events in his two years of rallying. Alfie has been co-driving for a year and a half. He has sat in various cars on single-venue events and is looking to progress onto multi-venue events. Currently in my second year of studying Media and Communications at the University of Gloucestershire with aspirations to work within the motorsport media industry.
