

Focus on Suze and Gavin Rogers

Driving a Nissan Micra 1348 ~ Red ~ M999 GSR ~ 1994

Driver Name	Suze Rogers – Clubs Tavern, Chelmsford, SOCC
Navigator Name	Gavin Rogers – Clubs Tavern, Chelmsford, SOCC
	<p>Suze and Gavin got married in July, and drive/co-drive for each other in targa rallies, historic rallies, and stage rallies. They live 30 mins from Castle Combe and so this was a good opportunity to do a local event, they have several rally cars between them but decided today was a day for Muriel the Micra. Suze bought Muriel in 2008, and she was built initially into an endurance rally car and then a stage rally car. She has been used in many different disciplines, most recently at Wiscombe Hillclimb three weeks ago. They are both members of Tavern Motor Club (based in Bristol, with Gavin being the Chairman), Chelmsford Motor Club and South Oxon Car Club, as well as being involved in the southwest and southeast regional associations, as targa rally co-ordinator (Gavin) and Vice Chair (Suze) respectively. They both hold various official and marshal registrations/licences so if not competing, are often at a motorsport event doing something!</p>
