The 23/24 Circuit Rally Champions come to the Castle Combe Circuit Stages Rally with their Citroen C3 Rally 2 winning car. The duo has won every round of last year circuit championship and want to repeat their success with this new circuit rally. Michael Igoe has only been rallying for 2 years, since moving from circuit racing. The pair has had an incredible journey so far, and we are looking forward to seeing what they can achieve in their lightning-quick car on their 17th rally outing.
