

Subject: Limited Availability! Enhance Live Coverage and Sponsor Exposure with Rennview Onboard Cameras at Spa Euro Race on June 3rd and 4th, 2023

Dear Teams and Organizers

I am thrilled to inform you that we have a limited number of available units of our state-of-the-art Rennview onboard cameras for the upcoming Spa Euro Race on June 3rd and 4th, 2023. These units will be offered on a first-come, first-served basis, providing a unique opportunity to enhance your live coverage and increase sponsor exposure.

Benefits of Rennview Onboard Camera Rental:

- **Immersive and Engaging Coverage:** Our onboard cameras will be mixed frequently into the main live stream during production, allowing viewers to experience the race from various thrilling perspectives. The series commentators will actively discuss the drivers, providing them with increased exposure and creating a more engaging viewing experience for fans.
- **Enhanced Sponsor and Partner Exposure:** By featuring sponsor logos and branding on the onboard camera footage, you can maximize the exposure of your sponsors and partners. The dynamic shots captured by our high-quality cameras will showcase their support, delivering significant visibility during the live broadcast.
- **Showcase Team Drivers:** Our advanced stabilization technology ensures that every detail and maneuver by your team drivers is captured with precision. This exceptional footage will be showcased prominently during the live stream, enabling fans to appreciate the skills and actions of your talented drivers.

Rental Service Details:

- **Limited Availability:** Due to the high demand for our onboard cameras, we have limited units available for the Spa Euro Race on June 3rd and 4th, 2023. Secure your rental promptly to ensure your team benefits from this unique opportunity.

- Price per Unit with Two Cameras: The rental cost for each unit, equipped with two cameras (one facing the front windshield outwards and the second one facing the driver), is 1200 euros for the entire weekend. This price includes installation, removal, unlimited data consumption and stream time, and a copy of the recorded footage from both cameras, which can be provided upon request after the event.

To secure your rental units or to inquire further about our Rennview onboard cameras, please contact us at: +49 1754118295 or [office@rennview.com](mailto:office@rennview.com). Our dedicated team is available to provide you with all the necessary information and assist you in enhancing your live coverage.

We are excited about the possibility of collaborating with you and contributing to the success of your broadcasts at the Spa Euro Race.

Sincerely,

Mélissa Boyet

Sales manager
