Regulation Change for this event:

8.9 Tyre regulations

VRM has signed a sponsorship contract with tyre manufacturer **HANKOOK Pirelli**. All participants are therefore compelled to use **HANKOOK Pirelli** brand tyres to be supplied by their representative Racetyres B.V. Zandvoort. Participants are entirely free though to choose the type of tyre, compound and size. Intermediate tyres are not permitted, only full original slick tyres and full wets. The number of slicks for the qualifying session and both races shall be limited. No restrictions shall apply to rain tyres, but their use shall be subject to the Race Director/Clerk of the Course declaring a "wet practice" or "wet race". Each competition Car can be supplied with a maximum of ten (10) slicks to be marked by **HANKOOK Pirelli** for use by this specific Car before the start of the Event.

Free practices and private tests may be run using marked slicks from the previous meetings. Exceptions may be granted by the series Permanent Scrutineers. If a tyre is punctured or severely damaged on a racing weekend, a "joker tyre" may be requested from **HANKOOK Pirelli**. Such tyre must be authorized by the permanent scrutineers and marked as "joker tyre" if applicable. No more than 3 joker tyres shall be allowed for the first four races of the season, and three additional joker tyres for the last four races.

8.10 Exemption

Exemption can only be granted if **HANKOOK Pirelli** is unable to supply suitable tyres (to be judged by VRM). If exemption is granted the cost per Event amounts to € 250,00 excluding VAT.

14. ADVERTISING / STICKERS AND PUBLICITY

- **HANKOOK Pirelli** stickers on the Car's four bumper corners.
