CROESO

Welcome to the 51st Severn Valley Stages Rally!

51ST

With the 50th anniversary edition of the event so well received, Midland Manor motor club aim to provide a testing day of quality stages at great value.

To that end, all competitors will complete the full 51 mile route at a price equivalent to a 45-stage mile event. A challenging event incorporating stages in Sarnau, Tarenig & Myherin, awaits competitors, culminating with an 18 mile stage.

The event will have the start and finish celebrations at the Metropole Hotel in Llandrindod Wells, along with a ceremonial start on Friday evening. The event will use the unrivalled facilities of the Royal Welsh Showground for Technical checks; Documentation and the Service Park.

We are pleased to continue to be a qualifying round of the British Rally Championship, the Fuchs Motorsport UK British Historic Championship, Motorsport UK Pirelli Welsh Stage Rally Championship; the HRCR Stage Masters Rally Challenge; and the TCS Plant Rally Challenge.

We could not run this event without the support and help of every marshal and volunteer who generously give enormous amounts of time at no cost to the event. On behalf of the organising team, our sponsors and every competitor, we thank you.

We are grateful for the support of our sponsors; Axon Commercial Catering appliances; and that of Braces Bakery and Falcon for supporting our volunteer marshals.

Finally, we very much look forward to seeing you all in Builth Wells and Llandrindod Wells in April and hope that you have a safe, memorable and enjoyable day's rallying.

A SAFETY MESSAGE

The safety of everyone that is involved with, participates in or spectates at the rally is our top priority, and so we ask that you read the following and keep it in mind on this and any other rally you may attend.

Please listen to the marshals they are there for your safety and want to ensure that we run the safest rally possible. If they ask you to move or inform you that you are standing in an unsafe place, please follow their instructions.

Spectators who are asked to move but refuse to do so are putting their own safety and that of others at risk. Where this happens the rally marshal has authority to notify the stage commander, who will take appropriate action, which may include stopping the stage or the stage being cancelled.

Rally cars can do the unexpected so, for your own safety and that of others, please:

- **Observe the colour coded tape and all signage.**
Red and White means PROHIBITED AREA, so a no-go location for everyone.
Black and Yellow define the designated spectator areas
- **Use the natural environment to protect yourself**
- **Don't walk on the rally stage**
- **Stay standing and remain alert**
- **Remember that alcohol and drugs can impair your responses and threaten your safety**
- **Please ensure you take your litter home with you - our continued use of the forests and landowners property depends on your cooperation.**

PLEASE ENSURE YOU ARE IN YOUR CHOSEN LOCATION NO LATER THAN 30 MINUTES BEFORE THE THE TIME THE FIRST CAR ENTERS THE STAGE.
