6. Running of the event

6.1. Reconnaissance:

6.1.1 The organizer will publish videos of special stages on the official notice board on 16th of July 2026 at 20:00.

6.1.2 Recce passages (on foot or by bicycle) are not limited and can be made once with competition vehicle according to schedule immediately after the drivers briefing.

6.2. Competition is taking place as the individual time trial and the start shall take place with the car stationary and the engine running.

6.3. In the pre-start area, the competitor must be ready **2 minutes before their start time**. In case of delay to the start, a penalty of 10 seconds will be added to the round's stage time.

6.4. It is prohibited to use external assistance in the pre-start area.

6.5. Starting order and the time interval will be decided by the Clerk of the Course after the end of administrative checks.

6.6. Penalty for the false start is 10 seconds, which will be added to the time of the heat.

6.7. Start will be given by traffic lights with the car stationary and the engine running.

6.8. Timing will be to a tenth of a second.

6.9. Clerk of the Course has the right to penalise for touching track barriers and markers with time penalty 5 seconds for each infringement, which will be added to the time of the heat. "Touching" is considered moving the barrier or marker from its original position by at least 1/3 of the bottom diameter of the marker.

6.10. A restart may be granted to a competitor only if his round was stopped by a red flag. In other cases, if the situation is justified (a slow competitor was in front of him on the track, etc.), the competitor will be assigned a fair round time by the decision of the Clerk of the Course or the Stewards. Competitors who have been granted a restart will start in the same round at the end of their competition class in the starting order determined by the Clerk of the Course.

- 6.11. Competition numbers issued by the Organiser must be fixed to the engine cover. Drivers with competition numbers according to Estonian Rallycross Technical Regulations must state their number at the administrative checks. In the case two drivers share the same competition vehicle, only one number may be visible during the race.
- 6.12. The competition consists 2 (two) special stages. Each competitor is allowed up to 4 runs for each stage.
- 6.13. The Clerk of the Course will determine the starting order for both special stages by competition class in accordance with points 6.14 and 6.15 of the supplementary regulations.
- 6.14. Each run will be timed.
- 6.14.1. The ranking of the event in the Crosskart Xtreme, SEENIOR 50, SSV and Crosskart 650 classes is determined by summing the times of all completed rounds of both special stages.
 - 6.14.2. The ranking of the event in the remaining classes is determined by summing of each competitor's three fastest round times from both special stages.
- 6.15. For each special stage's round that is not passed or the competitor is retired, competitor's result will be determined by the best time of its classes round plus 45 seconds
- 6.16. For each round not started, the competitor will receive a DNS (Did Not Start), and the competitor will not receive a result for that round.

7. Classification

- 7.1. The final classification of the round is determined by summing the competition class times according to points 6.14 – 6.16 of the supplementary regulation. The competitor with the lowest time is the best. In the event of a dead heat, the competitor who sets the best time on the last heat will be preferred. If this is not sufficient, the times of the penultimate etc shall be taken into consideration. Only drivers with results from at least two heats from same special stage will be classified. If the competitors get two results in different special stages, the results shown in the last special stage are preferred. If there are several such competitors, the time achieved counts.

8. Safety

- 8.1 Safety of the competition vehicles and drivers.
- 8.1.1 A liquid-proof underlay (PVC) of at least 2x3 meters must be used under the competition vehicle (except classes NOORED and JUUNIOR) while servicing in Service Park.
