## **RIPONIAN STAGES RALLY 2026**

### **Road Book**

Welcome to the Riponian Stages Rally. We want you to enjoy the event and have a successful day. Please read this road and map book carefully, if you have any queries please ask any of the organisers.

#### **Road Book**

Not all junctions have been included in this road book. Where there is no instruction given continue along the road on which you are travelling. Names and signposts were those displayed at the time of route survey and the organisers will not accept any liability for subsequent changes.

#### **Driving Standards**

Please observe **ALL** speed limits and drive with care between the stages. The Police are very co-operative and **WILL** be patrolling the route using speed cameras.

**The organisers will not have any sympathy or tolerance with those who are breaking the law.**

**Remember:** Local traffic may well be using forest roads between the stages.

#### **Stage Safety**

Medical and Rescue units will be located within each special stage.

Competitors requiring medical attention should display their **SOS** board. If you retire and medical assistance is **NOT** required display your **OK** board.

#### **Competitor Safety Information**

##### **First Competitor on Scene**

If the competitor is still in the vehicle and the vehicle is on fire **GET THEM OUT IMMEDIATELY.**

If the competitor is still in the vehicle, is responsive and there is no risk of fire:

- Approach from the front, look them in the eyes
- Do they seem aware of their surroundings?
- Speak to them, ask their name - do they respond?
- Any pain, loss of feeling - if yes keep them where they are!
- Keep them calm and keep them talking.
- **DO NOT MOVE THEM UNTIL PROFESSIONAL HELP ARRIVES.**
- Do nothing else

If the competitor is still in the vehicle, is unresponsive and there is no risk of fire:

- Stop any life threatening bleeding by applying direct pressure/ plugging the wound
- Ensure an open airway
- Immobilise the head and c-spine (neck)
- Check if they are breathing
- Treat any non-life threatening bleeding

**DO NOT REMOVE THEIR HELMET UNLESS THERE IS NO OTHER WAY TO ENSURE AN OPEN AIRWAY.**

If the competitor is out of the vehicle:

- Do not grab hold of them - they might be unaware of what is happening and become combative.
- Guide them to a place of safety away from the incident and other competitors.

- Speak to them, ask if they are OK?
- Keep someone with them.
- Once in a safe place, assess them for injuries:
- Are they aware of their surroundings?
- Any signs of injury / are they experiencing pain?
- DO NOT LET THEM WANDER AROUND, BUT KEEP THEM UNDER OBSERVATION

Afterwards please write a short report for the organisers and either hand it to the first control official that you reach or to the Competitor Liaison Officer. This report should cover the facts as you know them and include times of the incident starting and when you left the scene; always include your own details so that the organisers can, if necessary, contact you.

## **SAFETY & ACCIDENT PROCEDURE**

### **Use of SOS & OK Boards (NCR.13.10.710-7.15)**

Competitors must carry an A4-size white board with a red SOS on one side and black OK on the other (letters to be a minimum of 12cm high with a minimum stroke width of 1.5cm), with means to secure them on display for oncoming Competitors.

In the case of an accident where urgent medical attention is required, the following applies:

- The SOS display on the safety tracking device must be activated as soon as possible.
- When possible, the red “SOS” sign should immediately be displayed to the following cars and to any helicopter attempting to assist.
- As soon as possible, the red triangle must be placed in a conspicuous position on the same side of the road as the car at least 50 metres before the car’s position, in order to warn following drivers, even if the car is off the road.

Any crew which has the red “SOS” sign displayed to them, or which sees a car which has suffered an accident and the OK sign is not shown, shall immediately and without exception stop to render assistance. All following cars shall also stop. The second car at the scene shall proceed to inform the next radio point. Subsequent cars shall leave a clear route for emergency vehicles. All crews stopping under this procedure will be allocated a time.

In the case of an accident where immediate medical intervention is not required, or of a car stopping for any other reason on or beside a special stage, whether temporarily or permanently, the following applies:

- The OK display on the safety tracking device must be activated within one minute.
- The green “OK” sign must immediately be displayed to the following cars and to any helicopter attempting to assist. If the crew leaves the vehicle, the “OK” sign must be displayed so that it is clearly visible to all the other competitors.
- The red triangle must be placed in a conspicuous position on the same side of the road as the car by a member of the crew at least 100 metres before the car’s position, in order to warn following drivers, even if the car is off the road.

Any crew which is able to but fails to comply with Arts.7.11–7.15 above may be Disqualified following a Judicial Hearing and reported to the ASN in accordance with but pursuant to the Judicial procedures provided by Chapter 2.

### **Red Signals(Flags)**

**NCR.13.2.4.17** On any special stage where extreme circumstances make it necessary to neutralise the competition e.g. where spectator safety is compromised, or to authorise the movement of noncompeting or rescue vehicles, the system of Red Flags must be in place. These should be located at mid stage rescue points, all locations where a rescue/emergency vehicle may re-enter the stage following a shortcut and at each mandatory Radio Point (13.12.4.7). Red Flags will be displayed at all mandatory Radio Points preceding the incident, only on the specific instruction of the Clerk of the Course or Stage Commander. Red Flags must be prominently displayed (held out steady not waved) by a designated marshal who MUST wear a marshals' tabard.

(i) Competitors who have been shown a Red Flag will be given a notional time for the stage.

(ii) The time of the deployment of the Red Flags will be recorded and notified to the Clerk of the Course.

(iii) No flag other than a Red Flag may be deployed at any point along the route of the special stage.

**NCR.13.10.7.31– 7.33** On passing a Red Flag displayed by a marshal wearing a marshals' tabard, the driver MUST immediately and significantly reduce speed as well as being prepared to stop at any time; at no time must they overtake any safety vehicle they encounter on the special stage route. The crew must then follow the instructions of any marshals and/or stage safety personnel and maintain this reduced speed until leaving the special stage. Failure to comply with this rule may result in Disqualification following a Judicial Hearing and reported to the ASN in accordance with but pursuant to the Judicial procedures provided by Chapter 2. of the NCRs.

### **Radio Points**

The location of safety radios are indicated in the Road Book and by boards on the stage. A yellow radio board will be 100m prior to the radio point and a blue radio board at the radio location. There will always be a radio at the stage start and stage finish.

### **Logging**

Prior to the start of the event the organisers will undertake a survey of the route to establish any logging activity. Any advisory information will be supplied to competitors before the start.

### **Tightened Junctions and Chicanes**

These are used to dramatically reduce your speed **at that point** so that overall average speeds are kept within the required limits. The tulip diagrams indicate their locations.

### **Service**

Servicing is only permitted in the official service area at Thirsk Auction Mart, **Emergency Service is not allowed.**

Competitors are deemed responsible for the actions and behavior of their support crews with regard to Judge of Fact and Driving Standards Observers reports relating to noise, driving manners, speed, route, out of bounds, illegal assistance and contravention of regulations and official instructions. The reply will be posted on the official notice board on Sportity, please remember that a query is not a protest or appeal.
