

Circuit of Ireland 2024

Competitor Bulletin No. 02

Timed and dated at the
time of posting.

Reconnaissance

Competitors are reminded of the 30mph speed limit in place during reconnaissance. The roads are not closed residents will be moving about the stages as normal and the school holidays have started so children may be playing in the area.

Please also be aware that stage commanders and their crews will be moving about the stages installing the stage furniture and have been instructed to wear hi viz tabards, and to monitor the activities of those carrying out reconnaissance. They may also annotate the infringement card in the competitor's road book.

As a further hazard one or more tractors may be moving about the stages installing the competitor protection bales, but not the chicanes.

Judges of Fact

Four judges of fact have been appointed to identify any infringements of reconnaissance regulations. They are:

Chris Beck
Graeme Stewart
Neil Malcolm
Nigel Hughes

False Starts

The penalties for making a false start have been corrected to align with the penalties in the 2024 blue book, they are as follows
