

Provisional List of Qualified Skaters for Singles, Pairs, and Couples For the British Figure Skating Championships 2025

This ranking list considers the March, August, Robin Cousins Cup, and September 2025 Qualifier Events. The list will be updated following the November Qualifier to reflect the Couples results at that event.

Performance Skaters who automatically qualify for entry have a * beside their name.

Skaters who have been excluded from the list do not meet the current entry requirements for the 25/26 season. If you believe you/your skater's information to be incorrect please notify entries@iceskating.org.uk as a matter of urgency.

As per the announcement skaters may only skate in one category per discipline. Skaters are listed in current ranking order. Reserve spaces will be allocated after the closing date, until the draw is conducted.
