CONCOURSE AT ICE SHEFFIELD

Maggie Still would like to invite BIS members to share their feedback on being a BIS member and ask any questions in person.

Two drop in sessions will take place on the concourse at Ice Sheffield during the British Figure Skating Championships, and there will be other members of the BIS team there that will be able to help with any questions which are more relevant for them.

If you have any questions in advance, or accessibility needs please feel free to contact Andrew.Hibberd@iceskating.org.uk. Maggie will be available during two dedicated time slots below:

Wednesday 27th 14:00-15:00

Friday 29th 2:15-3:15

If you would like to attend please [complete this quick form](#).

Please note, there will be opportunities coming soon for members who aren't attending the British Championships to connect with Maggie and the team!

We look forward to seeing many of our members over the next few days.
