 - There will be construction barrels on the straight portion during completion, these will not be in the road during Recce as this is a main line road and needs to remain unobstructed.
- Power Stage Instruction 5: Competitors to chicane the delta, take acute corner of delta. Continuing straight will be considered shortcutting the course and penalties will apply.
 - There will be construction barrels on the straight portion during completion, these will not be in the road during Recce as this is a main line road and should be left unobstructed.
- Wildcat Short Flying Finish: Competitors to take the acute corner of the delta. Taking the inside of the delta will be considered shortcutting the course and penalties will apply.

2. Route Signage:

- All signage noted and shown below will be up during Recce.
- Standard route book instructions found along the course. Arrow with instruction number below:

- Route Book Instructions with Radio Location. Arrow with instruction number below and yellow radio sign. At the next junction you will find a HAM radio operator.

- Route Book Instructions with CAUTION. These cautions are marked in the route book. Arrow with instruction number below and Caution sign with Explanation Point. Special safety consideration should be applied to your notes at these locations. As dangers such as exposure, blind crest, Trees or another large unmovable object at the exit of a corner.

- Danger Signs, yellow sign with large Dot and the word DANGER above, are placed throughout the course with arrows above. These locations are not necessarily instructions within the route book. These locations are noted by the ARA safety delegate and reviewed by the Clerk. You should take special safety consideration in your notes at these locations. As dangers such as exposure, blind crest, Trees or another large unmovable object at the exit of a corner.

- Virtual chicanes. You will encounter 3 in this rally. One on Schafer, Nahwatzel and Wildcat Short. All will be clearly marked during Recce. Warning approach signs will be placed at 300, 200 and 100 meters. Below are photos of the warning signage and the VC Start and VC End Signs that will be used.

Ron Barker, Clerk of the Course

Matt Flaisig, Asst. Clerk of the Course
