

Baja TT Sharish Gin 2023

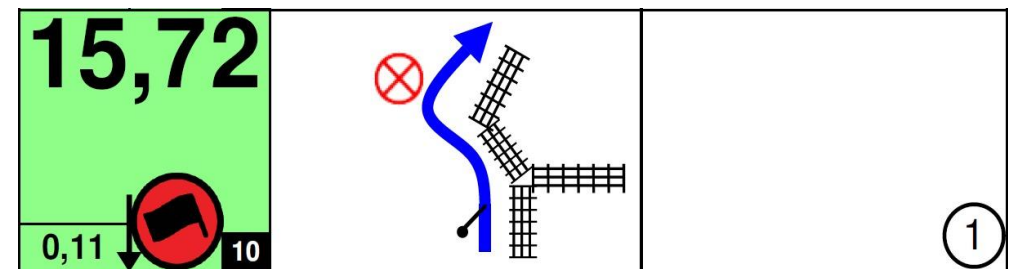

Reguengos de Monsaraz/Mourão / Redondo

Briefing

Baja TT Sharish Gin 2023

- The signalling during the connections is only valid for the FIM Europe and FMP race. The FIA and FPAK race must follow the roadbook.
- It is mandatory to comply with speed limits, especially in the two locations the race crosses. The organization will install speed controls in both locations.
- The roadbooks will be delivered 20 minutes before the departure time from the Parque Fermé.
- FMP and FIM Europe have two roadbooks: one for SS1 and one for SS2.
- For FIA and FPAK the roadbook is the same both days, please save it for the 2 days.
- In the FMP and FIM Europe roadbook of the SS2, by mistake there is no reset to the kms at the start, note 10 km 15.72

Baja TT Sharish Gin 2023

- All speed control zones are properly marked on the roadbook.
- During the course, there are Speed Control zone start and Speed Control zone end signs
- There are no warning signs for the speed control zones.
