## 14 SERVICE

Remote service area has changed (Service E and F)

Because of the last weeks rains Klacken remote service area is in bad condition, and the area is impossible to use. That's why the area will be removed to another place. The new remote service area is at the along Purmontie parking area at the beginning of the Klacken (Road book page 59 box 4) and continues approx. 500m. The ending and beginning of the area are marked.

Because of this change of area, the following TC's AT8A, AT8B, AT10A and AT10B are removed, and the service time includes to the liaison section time.

Liaison section times are

- Liaison section AT8 -AT9 1 h 11 min (71 min)
- Liaison section AT10 – AT11 1 h 58 min (118 min)

The can fueling of FIA and E85 place won't change but you must drive there differently. Lillby Neste, the refueling gas station, locates now inside the service area.

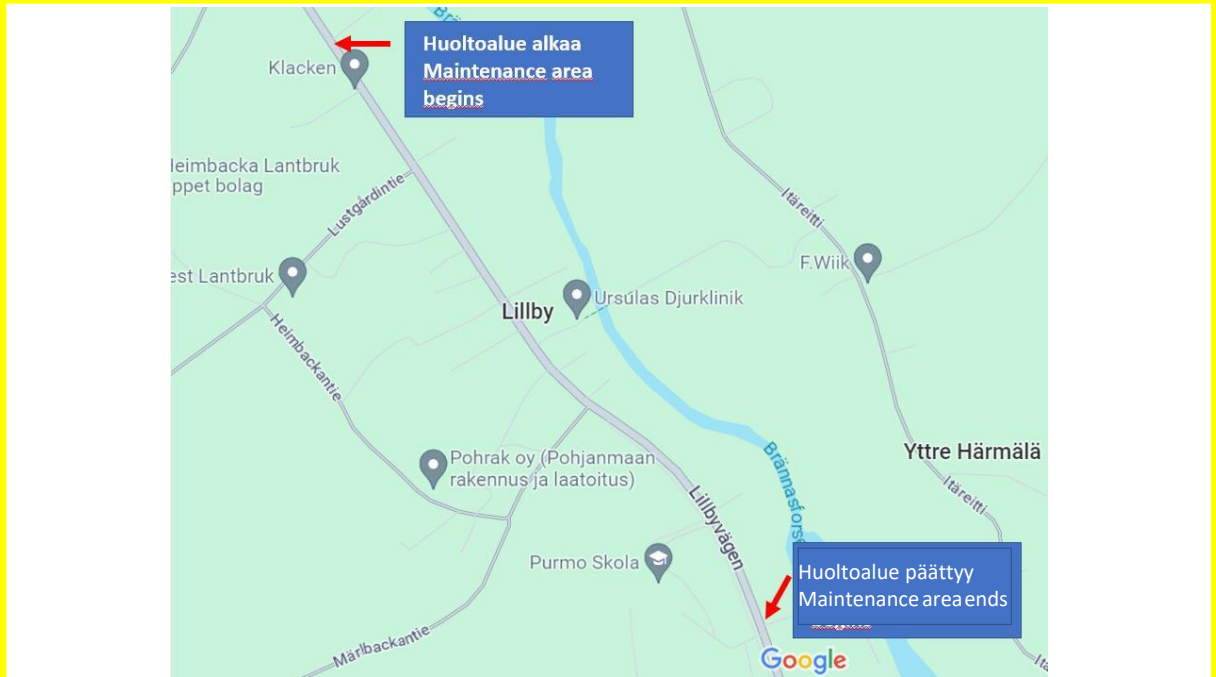

All the refueling places from own cans has FIA and E85 fuels.
