Track-related info

Waiting zone

On the right from the starting grid.

Signalling zone

On the left side of the grid.

Stopping zone

You can only stop behind the grid. Please do not stop on the track.

Start practice

Start, ride over the tires, turn left, use the corridor. Stop and wait for Peter. Then go for another start practice.

SuperPole

Go straight over the tires, finish the complete lap, then full throttle at the finish line.

Other notifications

No cutting across track is allowed

In Free Practice it is compulsory to finish a complete lap.

Riding on green areas is prohibited

Do not ride on green areas. Warm up only in the designated warm-up zone.
