Time: 07.00 hrs
Document No: 04.5

From: The Stewards
To: The Competitor of car #27 / Club Rallye Coruña
Crew Darío Calviño / Alfonso Ventin Gil

The Stewards, having received a report nº3 from the FIA technical Delegate based in the report of the FIA Electric Vehicle Electronics Engineer, summoned by the CRO and heard the Crew, have considered the following matter and determine the following:

Time: 13:19 h 20/09/2024

Facts: During the development of Leg 1 / Section 1, car #27 drove at 100 Kph, where the road speed is limited at 50 Kph.

Offence: Breach of Articles 3.7 of 2024 Bridgestone FIA ecoRally Cup Sport. Regs, Art. 12.2.1.i ISC in relation with the instructions given by the Clerk of the Course in the Briefing Notes.

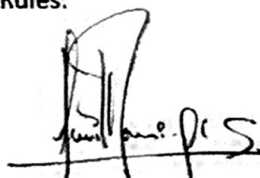

Decision: 500 penalty points in the regularity classification and 4% on the Energy Performance Index.

Reason: Having considered the matter extensively, including the recognition of the facts by the competitor representative and Crew, the Stewards determined that car was driven at a 100 kph in a place where the speed road is limited at 50 kph (Leg 1 / Section 1).

This matter was reminded during the Briefing (Briefing notes). Furthermore the Stewards consider that failing to respect the speed limits on roads constitutes a breach of the traffic regulations and also it is a safety matter, especially in sensitive areas where the limit is 50Kph

The Stewards conclude that this is a breach of the above regulations and the penalty have to be imposed according to Art. 6 of the FIA ecoRally Sporting Regulations. Since speeding is higher than 20 kph in sensitive areas the penalty provided is 500 points in the regularity classification and 4% on the Energy Performance Index.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and the FIA Judicial and Disciplinary Rules.
