

## REGULATIONS 2024

1. ACTION PRESS MOTOR CLUB, MYTIME, GRUPO DESPORTIVO COMERCIAL and ESCUDERIA LA CORUÑA, will organize in 2024 an initiative called Iberian Eco Rally Challenge (IERC), which is governed by these regulations.

2. This event includes the four eco rallies from Spain and Portugal that are on the calendar for the Bridgestone FIA ecoRally Cup 2024.

3. There will be a classification for drivers and another for co-drivers. The score for each of them in each event will be the one assigned by the FIA in the Bridgestone FIA ecoRally Cup:

- a) All co-drivers and drivers who participate in each of these events can be classified regardless of their nationality.
- b) To qualify it is necessary to participate in at least one rally in Spain and another in Portugal.
- c) The first three co-drivers and drivers will be awarded.
- d) In the event of a tie, the participant who has achieved the most first places will prevail, then the person who has achieved the most second places and so on. If the tie persists, it will be reversed in favor of whoever has achieved the best classification in the first event held.

4. The organization may award trophies with the name of a sponsor.

5. All official documents of the trophy and its results will be disclosed on the organizer's websites.

6. Any modification to these regulations will be published on these sites. In case of doubts, they will be resolved by the jury of this competition and their decisions will be final.

7. The trophy jury is made up of a representative from each of the organizers: CLUB DE AUTOMOVILISMO ACTION PRESS, MYTIME, GRUPO DESPORTIVO COMERCIAL and ESCUDERIA LA CORUÑA.
