

APPENDIX 7 – Instructions for the use of the gps tracking system unit

The SPICA III unit manufactured by Anube will be installed in the car with its support provided by the scrutineering team during the technical check. The device can be mounted on the dashboard or to the front windshield on the passenger side of a vehicle, (on the codriver's side) using Velcro or straps. You don't need to connect the device to the battery for installation.

SPICA III Quick user guide
