Despite our best efforts, some errors have crept into the printed version of the Road Book. In all cases, the times on the Time Cards are definitive, and should be followed.

- RS 3 – Target time is 12 minutes
- RS 5 – Target time is 22 minutes
- RS 12 and RS 20 – Target time is 16 minutes
- SS 8 and SS 14 – Bogey time is 05:58 and target time is 16 minutes
- RS 15 – Target time is 7 minutes
- RS 13 and RS 21 – The distances are incorrect, please use the distances below:

Tulip	Total Mileage	Intermediate Mileage
1	0.00	0.00
2	0.12	0.12
3	0.29	0.17
4	0.38	0.09
5	0.95	0.57
6	2.78	1.83

- Page 121 – The exit route showing you how to leave MTC14 after you have finished the event is not correct. To leave the FanZone, please proceed along Ladygate as shown by the blue arrows, but then TURN LEFT onto Sow Hill Road to follow rally route for a few metres before turning right at the traffic lights. Your route from there is up to you, either straight on through North Bar (best if you're returning to the Service Park) or turn right along Hengate to head east or south. See the map below.
