**DECISION No 7**

<b>From:</b> The Stewards	<b>Date:</b> 24/09/2023
<b>To:</b> Thomas CHRISTOL – Buggy1600 - #103	<b>Time:</b> 18:45

The Stewards, having received a report from the FIA Technical delegate (Doc 6.7), having examined the technical regulations, having heard the driver/competitor, have considered the following matter, determine the following:

**Driver/Competitor** : Thomas CHRISTOL #103

**Time** : 24/09/2023 – 18:20

**Session**: During Final Scrutineering

**Fact**: During Final scrutineering was found that the transmission tunnel of the Buggy1600 #103 was not covering the whole length of the cockpit.

**Offence** : Breach of the Appendix J of FIA ISC Art. 279A 3.4.3 and Art. 9.1.2 of the FIA Sporting regulations of the European Autocross Championship 2023.

**Decision** : Disqualification from the Final and classified last of the Final. The other drivers will be moved up 1 place.

**Reason**: The longitudinal shaft is situated inside the cockpit, so it must be installed within a transmission tunnel. The transmission tunnel must enclose the longitudinal shaft over the complete length of the cockpit. This tunnel was not complete and has two (2) places off the shaft not covered. The Stewards decided to disqualify driver #103 from the Final and classify him last of the Final.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
