DECISION:	RD decision No 11 is canceled and Car 9 returns the original results after SF2.
REASON:	After reviewing new evidence (video from the live stream and the onboard from Car 9, which was not available at the time of the investigation incident between Car 9 and Car 5, which resulted in RD decision No 11), it founds out that Car 9 was not pushed Car 5 and clearly visible, which is a racing accident.
