The Stewards, having received a report from the FIA Technical Delegate (Doc 6.1), having summoned and heard the Competitor Representatives (Mr. Sven QUANDT and Mr. Tobias QUANDT), have considered the following matter and determine the following:

Facts During pre-event scrutineering, safety cage of car #306 was found without any marking of the FIA passport seal on the safety cage (originally TT-24-614).

Offence: Breach of Art. 8.3 of the FIA 2026 CCRSR.

Decision: To impose a fine of 500 Euros on Competitor #306.

In accordance with Article 12.8 of the FIA 2026 International Sporting Code, the payment of the fines must be done 48 hours of their notification. Fines may be paid by means of any mode of payment, electronic included (<https://fiafines.fia.com>). Any delay in making payment may entail suspension during the period the fine remains unpaid.

Reason: During the hearing, the Competitor Representatives explained that the car was damaged during a previous event, thus having to be sent to the chassis manufacturer to be repaired. The bar where the sticker was affixed had to be replaced and got lost during the rebuilding process. Competitor Representatives explained they informed the FIA Technical Delegate about the matter.

Competitor Representatives apologised for this and stated that it was not done on purpose.

The Stewards reminded Competitor Representatives that the markings must not be removed under any circumstances.

The Stewards consider that an infringement of the above article has been committed and, after looking into precedents, decide to impose the above fine.

The Stewards decision was made based on FIA ISC Art. 11.7.1.a, Art. 11.7.3.a, Art. 11.7.3.f and Art. 12.4.1.c.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2026 FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules.
