Topic: Refuel Zone and Controls Zones

Refuel Zones

Competitors are reminded that they may only refuel using refuel zones as defined by the itinerary and the road book.

Start control procedure

Crews are reminded of the following RCRs

- **5.4.3:** Immediately after checking-in at the time control, the competing vehicle shall be driven to the start line of the special stage
- **5.4.2.c:** Crews are permitted 3 minutes from the time control to the special stage start to prepare for the start.
