If invited, attendance to the prize giving ceremony or press conference is compulsory.

18. INTERPRETATION OF THE SUPPLEMENTARY REGULATIONS:

The interpretation of this regulation rests entirely with the Jury. In case of dispute, regarding the interpretation, or if there is any difference between the two official texts, the English text will prevail.

19. MISCELLANEOUS:

The Race Control team, provided by the promoter, will offer GPS trackers to riders who wish to use them for their own safety, allowing real-time monitoring during the race.

The GPS trackers will be used strictly for safety purposes only, and not for timekeeping or any other competitive function.

Installation will be carried out exclusively on the motorcycles of riders who voluntarily choose this safety option. The cost is €20 per day / rider, payable directly to Race Control during the Administrative Inspection.

The Official Notice Board of the event will be available online on the SPORTITY app.

20. SPECIAL ATTENTIONS:

At all times during the event, a rider will be responsible for keeping his machine in conformity with the rules.

Each machine shall be complete and in accordance with the FIM Technical Rules. To enter the Parc Fermé, the motorcycles must be in a good condition for their normal use on the public roads with both tyres correctly fitted.

Working brake lights and speedometers are compulsory, as well as all other devices specified in the S.R.

The registration number of the machine shall be displayed on a plate firmly fixed to the rear mudguard of the machine (NOT handwritten directly on the mudguard).

The number plate or its copy should be made of flexible and non-cutting material and should not exceed the width of the rear mudguard.

With the engine running all electrical equipment/consumers of electricity simultaneously must be supplied with electricity produced by the generator.

The use of an environmental mat is compulsory at all times, also on electric generators or other aggregates.
