48th Enduro "Novemberpokal" (November Cup),

Oct 31 – Nov 1, 2026 – European Championship Finale

Race Schedule:

Unlike last year, this year's "Novemberpokal" will return to a classic enduro race format. The European Championship, featuring approximately 150 riders from 15 nations, will be hosted by MC Woltersdorf e.V. The European Championship finale begins with an opening ceremony on Friday, October 30, 2026, at 6:00 PM in the town hall square (Rathausplatz) in Woltersdorf, where all participating nations and their riders will be introduced.

The event will be officially opened by the Mayor of Woltersdorf, who serves as the patron.

The race begins on Saturday, October 31, 2026, with the first group of riders departing from the town hall square in Woltersdorf at 8:00 AM; the day's racing concludes at approximately 4:00pm.

On Sunday, November 1, 2026, the race will again start at 8:00 AM from the town hall square. In addition to the European Championship (consisting of 3 laps of 60 km each, with 3 special tests per lap), a national-class event will also take place on Saturday, October 31 (covering 2 laps of 60 km each, with 3 special tests).

Course Route:

The race starts at the town hall square in Woltersdorf. From there, the route leads to the "Maiwiese" (passing Time Control 3), continues past the Kranichsberg, and heads toward the Grünheide forest in the direction of Herzfelde. Special Test 1—approximately 4 km in length—is located on the BVO company premises near Herzfelde, followed by Time Control 1 (including a service area). From there, the route heads back toward Rüdersdorf, running along the edge of the open-pit mine toward the "Motodrom" at Kesselsee in Rüdersdorf.

Waiting for you there is Special Test 2 (SP2) — an extreme "endurance test" (modelled after a German Armed Forces field exercise) — spanning approximately 2 km. Immediately following this, between the two special tests, is Time Control 2 (ZK2, including a service area), succeeded by Special Test 3 (SP3)—an enduro test—which is about 5 km long. From that point, the course leads back through the Grünheide Forest to the "Maiwiese" area (ZK3, Paddock A, with service).
