YOUR ARRIVAL AT THE TRACK

Entry to the racetrack- MAIN ENTRANCE - Wednesday

TRUCKS TALLER THAN 2.70 METERS MAY ENTER THROUGH GATE 2 (TRUCK ENTRANCE)

Please use the main entrance gate if you arrive on Wednesday. Trucks taller than 2.70 meters may enter through Gate 2 (TRUCK ENTRANCE)

Tickets can only be picked up by the driver in the entrance by driver list! Each driver will receive 5 tickets (1 driver, 2 mechanics, 1 spotter, 1 team manager) and one technical transport car pass. There will not be any extra car allowed in the paddock. The driver will have an additional premium parking spot for free, located near the paddock. The driver

can purchase extra paddock tickets, if necessary. Ticket price is 20 EUR (max 5 tickets). For bigger teams, please inform the organizer not later than 5 days before the race. The paddock ticket do not grant access to any tribunes, if you wish to have tribune access for your team members? You will need to purchase separately. The drivers must leave their car overnight in the participant's park- paddock. Do not leave expensive important items in the pit area, or it will be at your own risks. We recommend putting valuable items into the technical car/van.

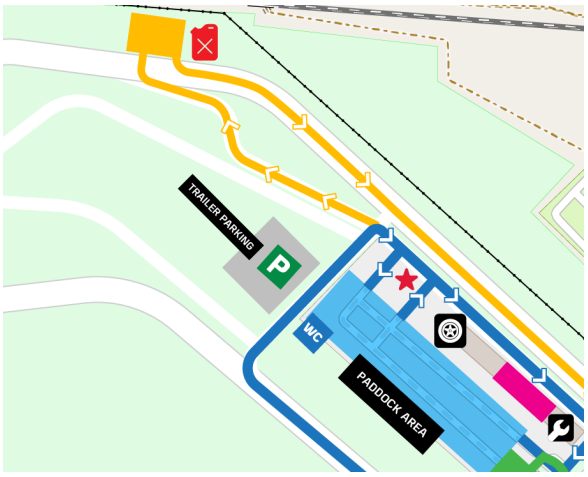

The Serres Racing Circuit has their own rules regarding the use of electricity which also applies to the drivers.

Drivers who need an electrical connection must inform the organiser in advance. The extra fee of 20 euros per day will have to be covered. It is categorically forbidden to connect without permission. Penalty for connecting without permission 100 EUR per day. Drivers can make the payment to the secretary of the competition.

TRAILER PARKING

Trailer parking. It is strictly forbidden to park trailers in any other place in the complex. We respect each other!

THE GREY MARKING DEFINES THE AREA, NO PARKING OF THE TRAILERS OUTSIDE OF THE GREY MARKING AS DEFINED IN THE MAP !!!

ROADS IN GREECE

Welcome to Serres! To ensure a safe, smooth, and enjoyable experience for everyone during your stay and the event, please take a moment to familiarize yourself with the local driving regulations and speed limits in Greece.

Serres Speed Limits & Road Safety Guide

Inside Built-Up Areas: The standard speed limit inside the city of Serres and surrounding residential areas is 30 km/h on most municipal streets. On specific major two-lane roads or divided avenues, it may increase to 50 km/h, unless otherwise indicated by road signs.

National & Provincial Roads: When driving on rural and secondary roads outside the town, the speed limit is 90 km/h for passenger cars.

Expressways & Motorways: On major expressways, the limit is 110 km/h, while on official motorways (highways) it goes up to 130 km/h.

Important Reminders for Competitors and Visitors

Signage First: Local speed limit signs always override the general rules mentioned above. Please watch the roadside closely.

Strict Enforcement: Traffic police regularly monitor speeds around the region, especially near event venues and transit routes. Speeding fines in Greece are high and can include temporary license suspension.

Zero Tolerance: Driving under the influence of alcohol is strictly illegal and heavily penalized. Drive safely, respect the local traffic rules, and best of luck in the upcoming event!

REFUELING

There will be a designated fuel refueling point.
Refueling in the paddock is strictly forbidden.

Only five cars may refuel at the same time; all others must wait in the queue near the refueling zone. Team members performing refueling are strongly recommended to wear gloves and protective glasses. Wearing clothing that fully covers legs and arms, as well as closed shoes, is mandatory—no shorts or short shirts allowed. The number of team members involved in refueling should not exceed two people.

SPOTTERS

At this event, the spotter's location will be separated and will be announced during Drivers' Briefing 1.

Spotter Wristbands:

- You will receive an extra wristband for your spotter during driver registration at the race office.
- The spotter must always wear this wristband together with the main race wristband. Spotters need to use also High visibility vests, as spotter tower is in track side.
- Only spotters with valid wristbands and pass will be allowed in the designated spotter area.

TECHNICAL INFORMATION

Please be reminded that there will be technical inspection at all times during the event. Make sure to carefully review and comply with all FIA IDC rules and regulations. Pay extra special attention to the noise limits and the maximum tire size as specified in the Sporting regulations – Tire tiers.

SAFETY IS OUR TOP PRIORITY. WE WILL BE CONSTANTLY CHECKING THE VEHICLE AND DRIVER' SAFETY EQUIPMENT, INCLUDING YOUR RACE OVERALLS, SOCKS, UNDERWEAR, AND OTHER MANDATORY GEAR. PLEASE PRIORITIZE YOUR SAFETY AND PRESENT YOURSELF WITH THE APPROPRIATE HOMOLOGATED SAFETY EQUIPMENT.

TIRE CHANGING

There will be three tire-changing machines for you, which will work at the place from Thursday 09:00. For the tyre change there is a fee of 80.00 euros per driver for unlimited tyre changes. You can leave your used tires into tire changing place, we will collect them all.

TEAM WRISTBANDS AND TICKETS

Each team will receive 5 wristbands:
1 for the Driver
1 for the Spotter
2 for Mechanics
1 for Team Manager

Drivers can purchase up to 5 additional 3-day tickets for €20 each.

Please note that paddock tickets/ team access does not include access to the PT sectors tribune seats, or any other sector's seats; they only grant standard paddock entrance without tribune access.
The Team Spotter will receive an extra wristband to access the Spotter Tower.

All wristbands will be distributed based on the Driver list at the main entrance.

If a driver wishes to buy extra tickets, these can be purchased at the main paddock entrance, with payment accepted by cash or card. A separate list will be maintained at the entrance. Additionally, each driver will receive one paddock technical car sticker. If more parking passes are needed inside the track, the organizer can provide up to 1 Premium parking pass free of charge, but not Paddock.
Any additional VIP parking passes will cost €20 each.

ADDITIONAL REGULATION

1. It is not allowed for drivers to drift outside the track on the track territory, at any time!
2. During the event, it is strictly forbidden to drift on the way to the starting zone or after the finish.
3. Doing a standing burnout is strictly forbidden any time - any place.
4. It is forbidden to smoke in the paddock
5. During the event, on the track territory leading from the service park to the start zone, a driver takes full responsibility of any accidents with people, who might be on the track. It is suggested to drive no faster than 10 km/h from the service park to the start zone. The speed limit also applies to all the side streets of Omonoia park where the track is located. Please drive in controlled speed- max 30 km/h, so you can react in different situations.
6. The service park will be located in the track area, where only the race car and service car are allowed to enter. A sticker will be mandatory for the technical car including phone number and driver's name.
7. The maximum allowed speed in the service park is 10 km/h. For the first time, speeding can be punished with a warning or a fine, but if any driver or drivers representative violates this rule with the race and/or service car repeatedly, they will not be allowed to enter the service park anymore.

9. You are not allowed to leave the car after a crash unless there is a fire. This is a critical safety regulation.
10. It is strictly prohibited to mount GoPro cameras or any similar devices on drivers' helmets. Please inform your media teams and personal crew. If such cameras are seen, they will be asked to be removed immediately, and a warning will be issued.

FAILURE TO FOLLOW THE REGULATIONS WILL RESULT IN A REPORT TO THE STEWARDS
