Article 6 – Insurance

In accordance with legal requirements, the organiser has taken out one or more insurance policies against the following risks:

- Third Party Insurance in the amount of €10.000.000 for the event.

- Other: Within this amount property damages of €20.000 are included.

The organiser's third party insurance is valid for the entire duration of the Competition, not only during official practice and race heats but also for travelling from the parking area to the course of the Competition and back.

Article 7 – Protests and appeals

Protest fee: € 900,00

International appeal fee (FIA): €3000.

Any protest must be lodged in accordance with the prescriptions of the Code. Protests must be made in writing and given to the clerk of the course or to his assistant, or in their absence to a steward, accompanied by the requisite protest fees.

If the protest requires the dismantling and re-assembly of various parts of a car, the claimant must also pay a deposit which shall be set by the stewards.

A breakdown of the protest deposit fees if dismantling is required must be published on the official notice board or be available upon request from the organiser.

The International Court of Appeal will hear, in the context of a Competition forming part of an FIA Championship (which includes the FIA European Hill Climb Championship), appeals against decisions of the stewards of a Competition brought by organisers, Competitors, Drivers or other licence-holders that are addressees of such decisions or that are individually affected by such decisions. In this case, the ASNs cannot refuse to give their assistance and agreement.

Article 9 – Additional provisions by the organiser

9.1 During the whole duration of the Competition, absolute Paddock speed limit rule applies: it is 30 km/h inside the Paddock. Furthermore, each established and/or confirmed case of breach by the Competitor/Driver or his team member, within the boundaries of the existing Paddock, will be treated as an offence and the penalty will be imposed according to the Stewards' decision.

9.2 After each of the heats (practice or race) the return from finish to start i.e. PARC FERME is lead in a single file by the organizer in an official vehicle.

9.3 During the return the drivers must obey the safety distance, must wear their seatbelts and are not allowed to take anybody in the vehicle with them. The drivers whose car does not have a roof must wear both the safety helmet and the seat belt. During the return it is absolutely forbidden to take over another vehicle or stop.

9.4 Failing to obey the upper mentioned regulations will be considered jeopardizing the competitors' safety. This may result in sanctions that may go as far as disqualification at the stewards' discretion.

9.5 Cars which have been damaged but are in driving condition may return in the joined single file with the other cars. Vehicles which are in no condition to be driven are removed from the track to a safety distance and returned to the drivers' park after the race if the

clerk of the course does not decide otherwise.

9.6 Before the start of the practice or the race each of the vehicles must be supplied with enough fuel for two lengths of each heat.

9.7 Waste oil and other liquids used in car vehicles must be disposed of in special barrels situated in the paddock. Other waste must be disposed of in provided bins. Under their vehicles the drivers are obliged to use special impenetrable covers of the minimal dimensions 3 x 4 meters. Failure to use the covers will be fined € 150,00.-
