Location Change for SS 8 and SS 11 Finish

It is necessary to move the finish of SS 8 and SS 11. This change shortens the stage by approximately 1 mile and lengthens the following transit by the same distance.

The new finish is at mileage 8.22 (N 45.0068, W 84.2737) and the new FTC is at mileage 8.42 (N 45.0065, W 84.2695). These locations will be staked during recce. The revised route instructions are as follows:

Add new instructions:

Line	Overall	Interval	Diagram	Instruction	Dec. Mi.
247.1 345.1	8.22	0.22		New Finish	0.00
247.2 345.2	8.42	0.20		New FTC Huff - Old State	

Delete instructions 248-253

Modify the following instructions as shaded:

Line	Overall	Interval	Diagram	Instruction	Dec. Mi.
254 352	8.42			New FTC Huff - Old State 40 mph	9.31
255 353	9.44	1.02		Stop Manier Rd	8.29

Lateness and Transit times were reviewed and remain unchanged.

Teams using Jemba notes should take care during recce to note the new finish and stop locations on page 7 of 8. The Finish is just before the 70 yard callout and the Stop is at the (no longer) cautioned big jump.
