

Birr & District Motor Club Endurance Trial

Sunday 22nd September 2024

A Message from the COC

Sunday 29th September

I would like to take the opportunity to thank all who made last Sunday's Endurance Trial such a great success.

Thank you to the landowners who so graciously let us in, and for their patience and support.

Thanks to Knockshegowna GAA for the use of their excellent facilities.

Thank you to all our club members who helped in setting up selectives, in the office, in the kitchen, marshals & timekeepers and everybody who helped in any way, and worked so hard in the weeks beforehand to make the event a success for everyone. Thanks to all Clubs who helped us also. Running an event is truly a team effort.

Lastly, thank you to the competitors who supported our event. Without your support, our Endurance Trial would not have been possible. It was exciting for us to be the last round of the Motorsport Ireland Endurance Championship and I would like to congratulate Shane & Ciaran Maguire on their Championship victory, and all the other Competitors on their results.

Yours in Motorsport,
Tristan Horan
Clerk of the Course,
Birr & District Motor Club
