DECISION FOR STAGE 2 NAVIGATION TEST 2.2

Having received a report from the race director explaining that in Navigation test 2.2 there was a problem of Hold Up in the Tripy System between way points 21 and 26 preventing competitors to find the correct road .

After investigation with those (Tripy) , after analyzing the proposition of the race director to correct the distance between this two points for all the competitors.

Considering that the fact is real .

Decide to apply the ideal distance to be realized between this two points to all the competitors means that that this distance is neutralized .

Decide after that to ask the race director publish an amended Provisional overall classification.
