

DECISION n.7

Document No. 7

From: the Stewards

Date: 13/09/2025

To: Prema racing

Time: 18:00

The Stewards, having received a report from the Race director, having examined video evidence, summoned and heard the driver NAKAMURA BERTA KEAN and team representative Niki Cadei, have considered the following matter, determine the following:

Driver and car No: NAKAMURA BERTA KEAN – 51

Competitor: Prema racing

Time (fact): 17:16

Session: R2

Fact: Leaving the track in T2

Offence: Art. 14.8 D, E RDS circuito

Decision: Time penalty of 5 seconds

Reason:

Between T1 and T2, car #41 attempted an inside overtake on car #51. Since car #41 was at least alongside halfway, it had the right to the racing line; however, car #51, while defending the position on the exit of T2, left the track (track limits) and by doing so gained a lasting advantage, as it managed to prevent the overtake that car #41 was legitimately carrying out.

The regulations (Art. 14.8 E RDS circuito) state that if a car leaves the track, it may rejoin but must do so safely and without gaining an advantage. The Stewards consider that in this case leaving the track constituted a lasting advantage, as it allowed the driver of car #51 to prevent the other car from gaining the position to which it was entitled. The fact that car #41 had a very slight slide at the exit of T2 is not considered relevant, since the onboard footage shows that car #51 would have gone wide and beyond track limits in any case, and furthermore the driver of car #41 was after all able to complete the corner in a controlled manner.

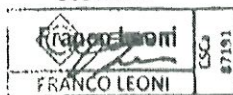

The present decision is rendered according to points A, F and G of the FIA driving standards guidelines
