1. Revised N4 Road Network – Collooney to Castlebaldwin

Please note that the N4 road between Collooney and Castlebaldwin has been revised / upgraded to a dual carriageway and as such has limited exit / entry points. It largely follows a new route from the N4 / N17 junction (roundabout) to just SE of Castlebaldwin, with the 'old N4' road now being numbered L3700. Updated mapping for this upgrade is not yet readily available. Google Maps is however largely correct.

Entry onto the L3700 from Collooney is off the N17 / N4 roundabout and runs along the east side of the N4 until joining the 'old N4' route to Castlebaldwin.

Entry onto the L3700 from the Southeast end (Castlebaldwin) is off the roundabout just SE of Castlebaldwin.

Competitors not doing their recce following the event stage sequence (i.e. following the event Road Book) are advised to familiarise themselves with this road network and also in the event of the Alternative routes having to be implemented, familiarisation may be helpful.

See map overleaf.
