Ultimate Cup Series – Round 5 Navarra — Circuito de Navarra

Event Note No.:	1
Date:	Friday, 16 October 2026
Time of issue:	[10:25] (Central European Summer Time)
To:	All Competitors and Team Managers
Categories:	GT Endurance and Endurance Prototypes
From:	Race Director
Subject:	Full Course Yellow Procedure – Pit Lane Commitment at Safety Car Line 1

1. Categories concerned

This Event Note applies to the GT Endurance and Endurance Prototypes categories.

2. Event Note

2.1 For the purposes of the declaration of a Full Course Yellow (FCY), a driver is considered to be committed to the pit lane when the car crosses Safety Car Line 1.

2.2 Safety Car Line 1 is located at the beginning of the pit entry, before Turn 16.

3. Applicable regulation

Article 4.4 (Full Course Yellow) of the Ultimate GT Endurance & Sprint Cup 2026 Sporting and Technical Regulations, for GT Endurance, and Article 4.8 (Full Course Yellow) of the EEPC 2026 Sporting Regulation, for Endurance Prototypes: upon the Race Director announcing the time of deployment of the FCY procedure ("Prepare to FCY at ..h..min..sec"), which defines the start time of the procedure, any car that has already crossed Safety Car Line 1 may enter the pit lane without penalty. Cars that have not yet crossed Safety Car Line 1 will be subject to the penalties applicable to pit entry under FCY conditions.

During the race, in the event of a Full Course Yellow procedure, the pit lane entry will be closed.

4. Notification

This Event Note is issued to all Competitors of the categories concerned.

Issued by the Race Directors.
