The Stewards, having received a report N°2 from the FIA Technical Delegate based in the report of the FIA Electric Vehicle Electronics Engineer, have considered the following matter and determine the following:

Time : 18:59:00h – 23/10/2024

Facts: During the development of Leg 1, section 2 car No. 42 drove at 155Kph at the highway, where the road speed is limited at 110Kph.

Offence : Article 12.4.1 supp. Regulations and 3.7. of 2024 Bridgestone FIA ecoRallye Cup Sport. Regs., Art. 12.2.1.i ISC in relation with the instructions given by the Clerck of the course in the briefing Notes.

Decision: 450 points in the regularity classification and 2% on the Energy performance Index.

Reason: Having considered the matter extensively, the stewards determined that car was driven at 155Kph in a place where the speed road is limited at 110Kph. This matter war reminded during the briefing [Briefing notes]. Furthermore the stewards considered that failing to respect the speed limit roads constitutes a breach of the traffic regulations.

The Stewards concluded that this is a breach of the traffic road regulations and the penalty have to be imposed according the Supp. Regulations, [in particular, exceeding of 5 Kph the instantaneous speed Imposed by the highway code will result a penalty of 10 points per Kph above the speed limit] and the FIA ecoRallye Sporting Regulations since a breach of the traffic regulations will result a penalty of 2% on the energy performance index, considering is the first infringement.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2023 International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary rules.
