Subject: **STEWARDS DECISION No. 8**

Document No: **4.9**

From: *The Stewards*

To: *All Competitors / Crew members*

The Stewards, having received a report from the Clerk of the Course indicating that today's poor weather conditions could compromise the safety of the event's participants, have considered the matter and decided on the application of Art. 11.9.3. ISC to cancel Leg 4 of the event (Sections 6 and 7).

In application of the 2024 FIA ecoRally Cup Sporting Regulations, Art. 12, should one event is not able to be run in its entirety, Championship points shall be awarded based on the established classification, according to the number of Regularity Stages that have been run. Given that 50% or more but less than 75% of the scheduled length of the Regularity Stages has been completed, half the points will be allocated to the championship classification.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2023 International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary rules.
