ECO RALLY SCOTLAND

1 – 2 August 2026

Date:	**2.8.2026**	Time:	**08:00 hrs**
Subject:	**STEWARDS DECISION Nr 1**	Document No: 2.1	
		Posted at: 10:10	

From: *The Stewards*

To: *All competitors / crew members*
Number of pages: 1 Attachments: 0

The Stewards have been informed by the Clerk of the Course that local authorities have closed a section of the road towards the end of Regularity Stage RS11 for safety reasons.

Full championship points will only be awarded if 75% or more of the scheduled length of special stages has been run. In order to meet this mandatory threshold and avoid the cancellation of the entire stage due to force majeure, the Clerk of the Course has requested authorisation to maintain the first section of the stage and shorten its total length, relocating the finish line prior to the road closure.

Under the provisions of the International Sporting Code (Art. 11.7) and applicable Sporting Regulations (Art. 12 -2026 FIA ecoRally Cup Sporting Regulations), the Stewards decide to:

- Authorise the Clerk of the Course to modify the itinerary of the event.
- Approve the shortening of RS11. The stage will be run from its original Start, but the finish line will be relocated prior to the road closure.
- Approve the issuing of a Bulletin by the Clerk of the Course, which will detail the exact location of the new finish of the regularity stage, and the alternative liaison route.

All competitors must follow the instructions provided by the rally officials and proceed via the amended liaison route.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits (both documents can be found at https://www.fia.com)
