Parc Fermé is located on Level 4 (top floor) of Bell Street Hub – Dundee City Council's newly-opened (since December 2025) Green Transport Hub, home to 180 EV chargers, by Evolt Charging powered by SWARCO. Level 4 has been reserved by Dundee City Council for the event's exclusive use.

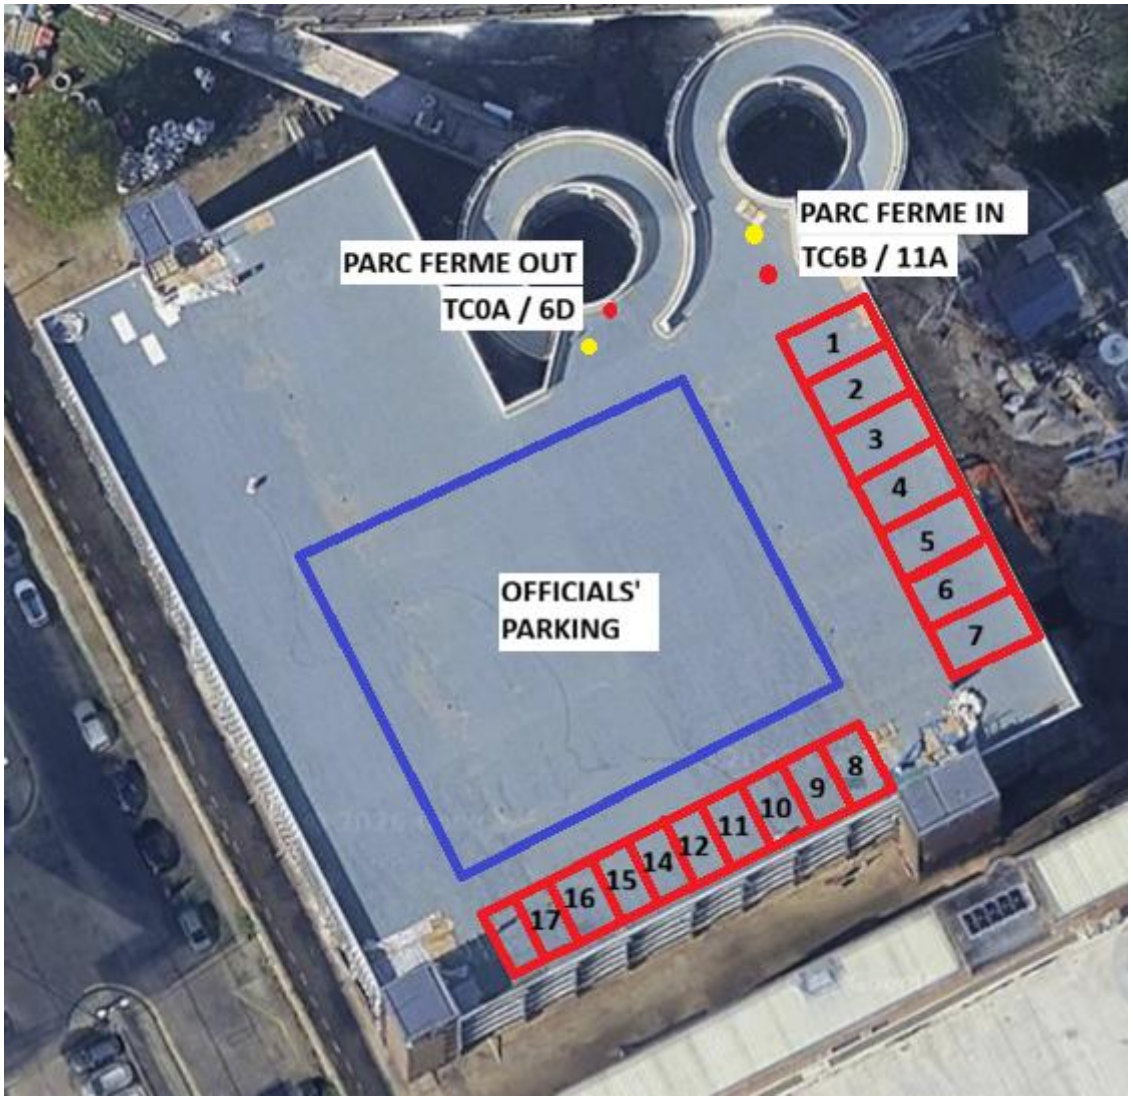

The vehicular entrance is here – approaching ONLY from the east on A991 North Marketgait. The entrance barrier will raise as you drive up to it.

Bell Street Hub has a 2.0m / 6'7" height restriction. Any competitors / officials this may impact, are requested to contact the Clerk of the Course, so that alternative arrangements may be made.

Having passed the entrance barrier, please then proceed up the spiral to Level 4 – this area is reserved for the event's use.

The EV chargers are located around the outside periphery of the Hub.

Please park in accordance with the enclosed map, on both Fri 31 July and Sat 1 August:-

As per Article 10 Charging of the Event Supplementary Regulations, 7.4kW chargers from Evolt Charging powered by SWARCO have been reserved for the event's use. All competitors have been provided with an Evolt card as part of their competitor packs at Administrative Checks – please use these to place the car on charge overnight, on both Fri 31 July and Sat 1 August. Should you misplace your charge card, please advise the Clerk of the Course as soon as possible.

Having placed your car on charge, removed any required personal items and placed the car under parc fermé conditions, please lock the car, and hand your keys to the two scrutineers (light blue tabards) present. Having handed in your keys, you will be presented with a card / token in exchange. This is to be presented to the ASN Technical Delegate / Chief Scrutineer in the morning, a maximum of 15 minutes before their TC0A/TC6A start time, in accordance with Cup SR 3.11, to retrieve the car keys and gain access to the vehicle.

DO NOT LOSE YOUR TOKEN.
If you do, please contact the Clerk of the Course immediately.

There are both stairs and lifts available, but no toilet facilities – the nearest welfare facilities are at Abertay University.

The walk to/from the Hotel Indigo Dundee by IHG is approximately 1km in length, and approximately 13-15 minutes in duration. Alternatively, Dundee is well served by local taxi services. Uber ridesharing is not currently actively operating in Dundee.

The pedestrian exit/entrance is here. Re-entry will require input of your vehicle registration.
