

10 – 12 APRIL 2026

## COMMUNICATION FROM THE CLERK OF THE COURSE #6 10 April 2026

### APRC Entrants

Refer to the 2026 FIA Regional Rally Sporting Regulations. Clause 53.5.1. Electronic red flags will be used at this event. Refer to the following information for the procedure to be adopted.

Electronic red flags and/or physical red flags may be used at this event. This means that if a red flag is required during a Special Stage, competitors will be shown the red flag by:

- (a) A physical displayed red flag waved by officials at an SOS point and/or
- (b) A RallySafe red flag on their RallySafe console where the screen of the RallySafe console will turn red and show the message “RED FLAG”. Crews must **immediately confirm receipt** of the electronic red flag by pressing the “ACKNOWLEDGE” button on the RallySafe console.

If shown a red flag via either or both of the above methods the Driver must immediately reduce speed, maintain this reduced speed until the end of the Special Stage, and follow the instructions of any Marshals or Intervention Vehicle drivers.

Failure to comply with red flag rules may result in a penalty.

Reason: *To introduce procedure for electronic red flags received via the RallySafe console. Refer to appended description of use. In addition refer to the following link (at 7 minutes 10 seconds into the video):*

## 7. Red Flag

---

**SCREEN 19**– In the case of a serious incident, a stage may be red flagged from Race Control. The red flag will display a full screen warning, and the Remote LED Display (RLD) will flash RED until it is acknowledged. To acknowledge the flag the far-left button must be pressed.

Please note that the Red Flag functionality is only available at certain events. Please refer to the Supp Reg's on further confirmation.

SCREEN 10. RED FLAG Acknowledge

**SCREEN 11** – Once the red flag has been acknowledged, normal stage functions will display with a warning still at the top of the screen.

SCREEN 11. RED FLAG in Stage Mode
