OnX - How to Guide for Racers

Step 1

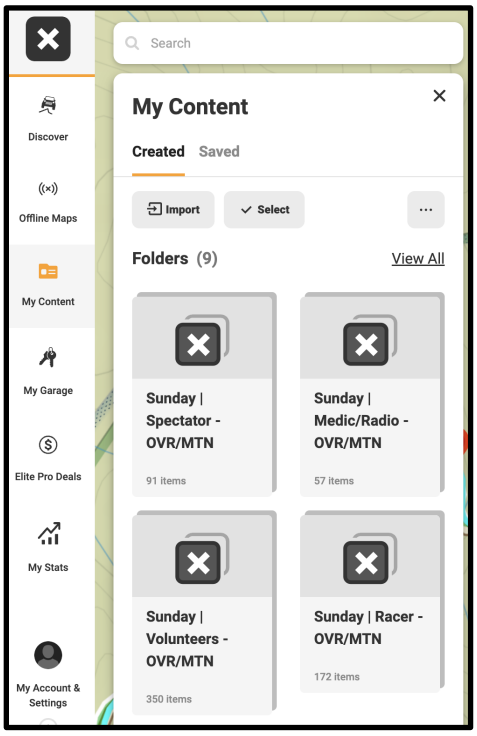

- Download OnX Offroad by searching 'OnX Offroad' in the app store (Apple or Android)
- Each entry receives one free Elite membership. A code will be sent to the email provided in the "OnX Offroad Premium Membership" pre-event form.
    - Elite accounts will allow for unlimited offline map use.
- OnX Offroad can also be accessed via the website: www.onxmaps.com

Step 2

- Once the app is downloaded, access the map folders that are relevant to you
    - Spectators
        - Folders can be accessed here: https://overmountain-rally.com/spectators
    - Racers
        - Direct folder link: RACER ONX

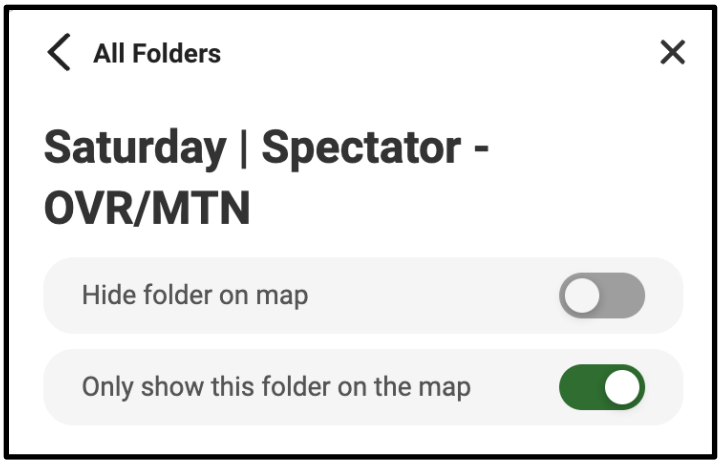

Step 3

- Clicking on the folder links will automatically open OnX Offroad
- Once the folder(s) are opened, they will appear in 'My Content'

- With a single folder selected, click on 'Only show this folder on the map' to only view the selected folder. This only displays data in the folder and hides all other routes, waypoints, etc.

- Multiple folders can be downloaded. They will all appear in My Content.

Step 4

- Download the maps for offline use by going to ‘Offline Maps’
- Select ‘New Map’
- Choose ‘Medium’ for map detail
- Adjust the map coverage by zooming in/out on your device.
- Assign a name to your offline map, then save for use during the rally!
