1 SERVICE PARK

1.1 LOCATION

Newport Speedway
767 Industrial Rd, Newport, TN 37821
GPS: 36.017782, -83.207620

1.2 ACCESS TIMES

Gates Open: 08:00, Thursday, September 17th
Gates Close: 12:00, Sunday, September 20th

Camping will be available on site for competitors and crew members; see Section 1.13 for more details. The service park will be accessible for the duration of the event. All crews must be packed up and off site before the gates close on Sunday unless pre-approved by an event official.

1.3 FACILITY HIGHLIGHTS

- General security
- Restrooms with running water
- Waste containers
- Camping; see Section 1.13
- Food will be available for purchase at Newport Speedway prior to and during Parc Exposes on Friday and Saturday. Lunch will be available for purchase Friday and Saturday

1.4 SURFACE AND SIZE

All service area assignments will be on packed gravel or pavement. Standard service areas are a minimum of 20 feet by 40 feet per race vehicle. All competition and registered service vehicles, trailer(s) and service equipment must fit completely within the space(s) assigned.

An additional, connected area of 800 sqft can be added during the registration process for $200. Please use the Service Special Requests form to provide details of the space required (dimensions, shape, etc) to ensure the additional area meets the requirement of the entry. If no details are given, the additional space will be provided as one additional adjacent 20 foot x 40 foot standard space.

1.5 SERVICE ASSIGNMENTS

Service assignments will be made by the Service Park Manager and posted in the Advance Information folder on Sportity the week of the event.

To aid the Service Park Manager in making assignments, a link to the Service Special Requests form has been provided in the "Pre-Event Forms" folder on Sportity. All special requests to the Service Park Manager are due via the form by the close of entry, and requests will be prioritized in the order they are received.

1.6 ACTIVE SERVICE PARK HOURS

The service park will become "active" on each competition day 60 minutes prior to FCO from Parc Expose and will remain "active" until the final competitor checks in at the end of day MTC.

The term "active" is used in this Service Crew Packet to define access times for vehicles and crew.

1.7 SERVICE PARK ACCESS FOR VEHICLES

Only competition cars and vehicles officially registered with a team as a Service Vehicle are allowed in the Service Park during the active hours defined above. All registered vehicles must have the registration sticker with car number affixed to the front windshield to enter the Service Park. We recommend the passenger side, top right corner. During the active service time, vehicles without stickers will not be permitted into the service area for any reason. Overflow parking will be available outside the service area for unregistered crew vehicles, as well as trailers that do not fit in the assigned Service space(s).

Motorhomes and campers that do not fit within the service space assigned to their entry are not allowed in the service area; for more information regarding camping, refer to Section 1.13.

1.8 SERVICE PARK ACCESS FOR CREW

Service crew wristbands will be required to access the Service Park during the active hours defined above.

During the event, Service Crews and Service Vehicles are only allowed to leave the Service Area on official transit routes as defined in Section 2.2. Service crews may be required to disclose the reason they are leaving the service park and their planned activities while away.

1.9 CANOPY ANCHORING

All canopies must be anchored with a 40lb weight per leg. The easiest way to achieve this is with a water filled 5-gallon bucket tied to the canopy frame. Water is available at the Newport Speedway near the Pit Stop Cafe Garage in the Speedway infield. Staking is not an acceptable alternative to the 40lb anchor weight.

1.10 ALCOHOL

Alcohol is not permitted in the Service Park at any time before or during the running of the competitive portion of the event. Alcohol is permitted in the camping areas and grandstands at Newport Speedway at times that do not conflict with ARA GCR section 5.11.

1.11 DIRECTION OF TRAVEL IN SERVICE AREA

All rally traffic at the Newport Speedway Service Area is one way clockwise on the outside of the Speedway. Inside the Speedway all rally traffic is one way counterclockwise. The Service Plan is available in the Appendix 1 – Site Plans.

1.12 ENVIRONMENTAL CONSIDERATIONS

Tarps must be in place under race vehicles while servicing to capture potential ethyl glycol and petroleum product spills. Teams should be prepared to quickly clean up any spills using their ARA required spill kit before ground contamination occurs.

1.13 CAMPING AT NEWPORT SPEEDWAY

Competitors and crews will be allowed to camp at Newport Speedway during the access times noted in Section 1.2 within the area assigned to their entry. All camping equipment, including motorhomes and travel trailers, must fit within the assigned area. Additional Service space can be purchased; reference Section 1.4 for details.

Competitors interested in primitive camping (no hookups) at the Speedway outside of the Service Area can contact the Speedway hosts and arrange booking and payment.

Newport Speedway Operations Manager
Beverly Watson
865.719.5679

2 OFFICIAL TRANSIT ROUTE

2.1 SERVICE CREW SPECTATING

Regional Service Crew spectating and movement outside the Service Area is not specifically restricted by the event. Service Crews and competitors are reminded of RCR 7.1.10.

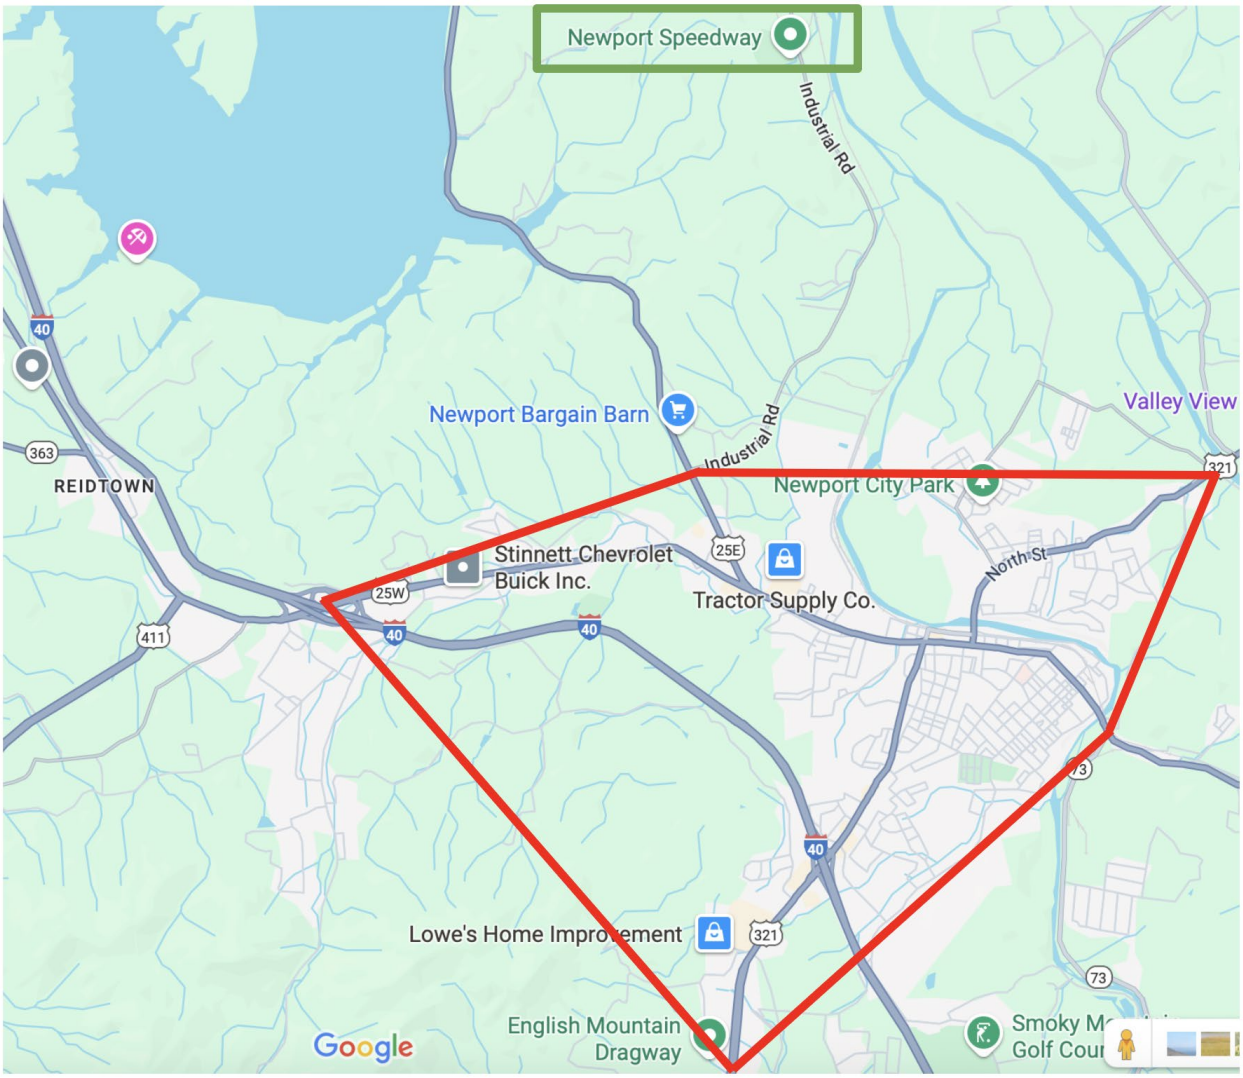

National Service Crew spectating and movement outside the Service Area is restricted as follows:

National Service Crews may spectate SS2/4 (The Gulf of Tennessee) and SS5/8 (Wasp) at the designated spectator areas following the OnX Offroad route provided in the official Spectator Guide (https://overmountain-rally.com/spectators). Service crews and competitors are reminded of RCR 7.1.10.

2.2 ACCEPTABLE ROUTES DURING EVENT

During the event, Service Crews and Service Vehicles are only allowed to leave the Service Area on the transit route described here, designed to allow access to services in the town of Newport, TN. The only exceptions are for competition vehicle recovery, as defined in Section 6, and spectating as defined in Section 2.1.

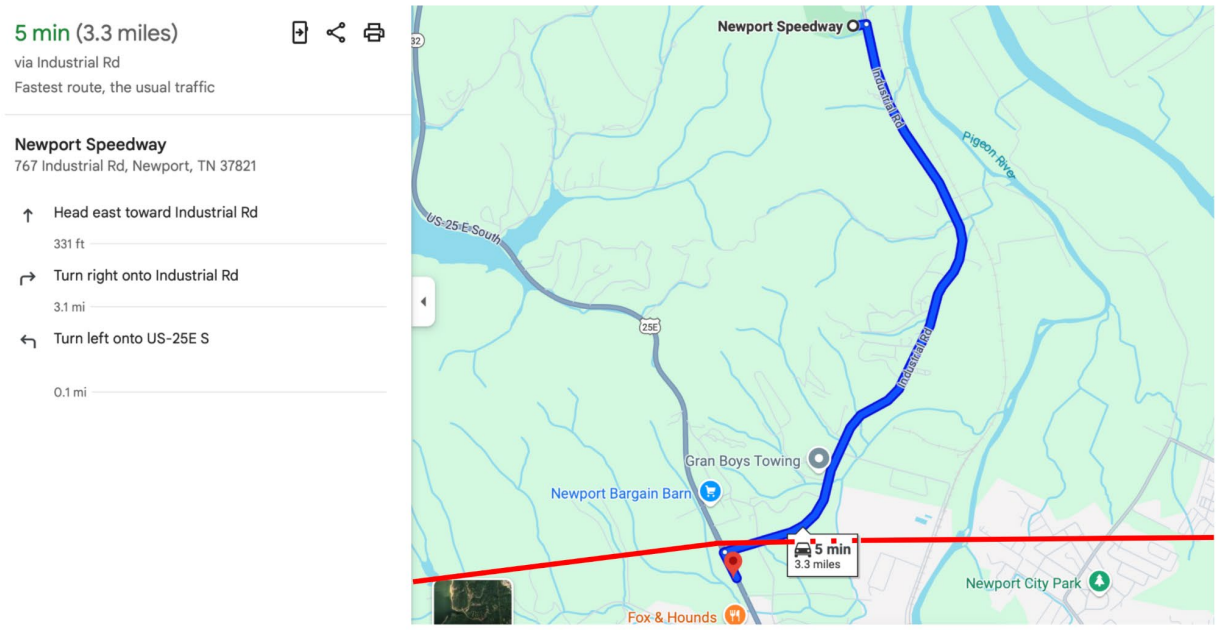

Service Crews and Service Vehicles are allowed access to anywhere within the red boundary defined below.

The boundary is approximately defined around the following reference points:
East: US 321 at French Broad River (Rock Hill Rd)

Southeast: US 25 at TN 73
South: US 321 at Lewis Rd
West: US 25W at I-40
North: US 25E at Industrial Rd

The following transit must be followed in and out of the red boundary. Speed limit for this transit is 30mph. Speed limits inside the red boundary are as posted.

3 SERVICE OFFICIALS

3.1 SERVICE PARK MANAGER CONTACT

Matt Bruski (Service Park Manager)
matt.bruski@gmail.com
414.617.9396

Sarah Frick (Deputy Service Park Manager)
sarah.frick@furman.edu
864.735.5246

3.2 COMPETITORS' RELATIONS OFFICER (CRO)

The Competitors' Relations Officer (CRO) is an event official (ARA GCR 6.1.1) whose primary responsibility is to serve as liaison between the event Clerk of the Course and the event competitors. The CRO provides competitors with information in connection to the regulations and/or the competition.

The CRO will be available before the rally by any of the contact channels listed below. An on-event, in-person schedule will be published by bulletin. The CRO will be easily identified during the event by a badge and/or identification card and a high visibility vest.

	**CRO** Amy Feistel Text/WhatsApp: +1 (984) 364-0894 Email: Amy.Feistel@gmail.com		**Assistant CRO** Elizabeth (Liz) Cordara Text/WhatsApp: +1 (734) 645-1245 Email: ecordara@msn.com

The CRO should be the competitor's primary point of contact when any questions arise before or during the rally. If not able to answer questions directly, CROs will promptly contact the appropriate parties within the event organization.

The CRO is a resource for competitor questions/concerns regarding, but not limited to:

- Start positions
- Rally and/or event schedule
- Regulations
- Communication requests for service personnel and competition crews which need assistance or extraction
- Rally procedures and practices
- Requests for clarification
- Requests for NCE (non-competitive entry)
- Requests for RAR (restart after retirement)
- Official competition inquiries
- Official competition protests

4 PARC FERMÉ LOCATION

Saturday, September 19th
Newport Speedway [track infield]
767 Industrial Rd, Newport, TN 37821

5 OFFICIAL NOTICE BOARD

There will be no physical notice board. All official documents, bulletins, start orders, provisional results, inquiries, and responses will use the Sportity App.

CLICK HERE TO DOWNLOAD THE APP

ENTER PASSWORD: OVRMTN2026

Links to desktop versions of the notice board:

https://overmountain-rally.com/competitors

https://webapp.sportity.com/event/OVRMTN2026/

6 RECOVERING COMPETITION CARS FROM STAGES

Crews must inform the Service Park Manager, Deputy Service Park Manager, CRO, or their delegates prior to leaving the service park to retrieve a retired competition vehicle. The CoC must approve the recovery plans before teams will be allowed to exit service. **Crews should NOT show up at any stage finish, start, or intersecting road without CoC approval of their recovery plan.**

Due to the technical nature of the roads, cars which retire on stage will likely be pulled to a safe location and left until the competition is completed on that stage for the day. Crews can retrieve vehicles on stage once approval is given by the CoC. There are VERY FEW intersecting roads where crews can enter or exit a stage to recover a competition car. The stages are extremely technical and on-stage recoveries could take a significant amount of time.

Directions to stage ends from service on each day are provided in Appendix 2 - Directions to Stages.

7 TECH ZONES (TZ)

TZs will be in place at the Service In Regroup on both days of competition. All teams must have a Service Crew member present at the TZ to support vehicle inspections if necessary.

8 FUEL AND TIRES

Competitors are required to purchase and supply their own fuel (see 8.1 for details on ordering VP fuel). The fuel used during competition must comply with the 2026 ARA Rally Technical Rules and Bulletin 2026-2.

8.1 VP FUEL ORDERS

VP fuel is available for pre-purchase and delivery to the event. A link to the VP Fuel Order Form has been provided in the "Pre-Event Forms" folder on Sportity. See Supplementary Regulations Section 3.1 for order deadline.

8.2 VP FUEL DELIVERY LOCATION

Fuel drums will be delivered to Newport Speedway inside the Pit Stop Cafe Garage in the Speedway infield. All teams will be alerted via Sportity when the fuel has arrived.

Newport Speedway
Pit Stop Cafe Garage - Infield
767 Industrial Rd, Newport, TN 37821
GPS: 36.017006, -83.206108

8.3 FUEL DRUM GROUNDING

Fuel drums must be properly bonded and grounded while in the refuel zone unless actively being transported into or out of the refuel zone.

The easiest way to achieve this requirement is to leave fuel drums in direct contact with the ground. Handheld fuel jugs must be sitting on the ground while not in the act of fueling.

8.4 TIRES

The rally makes no requirements outside of those provided in ARA Rally Technical Rules.

9 TWO-WAY RADIOS

The event uses a Directed Net of amateur radio operators on the 70cm band. Two temporary repeaters are being used. The repeaters will only be online during the rally on Friday and Saturday. Both repeaters can be heard from the speedway but may require a mobile with a decent antenna.

9.1 FREQUENCIES AND REPEATERS

Primary Repeater
440.750 plus with a DCS Tone 311 N

Backup Repeater
440.800 plus with a DCS Tone 311 N

10 PARC EXPOSÉ

There will be three Parc Exposés during the rally. Site plans for Parc Exposés are included in Appendix 1.
1. Thursday Night
2. Start Leg 1 (Section 1)
3. Start Leg 2 (Section 3)

10.1 10.1 PARC EXPOSÉ 1 - RALLY FEST

There will be a Parc Exposé Thursday Evening. Competition cars will be directed to a parking location in downtown Newport and must be present at 19:00. Crews are not required in Parc Exposé until 19:30. Competitors are not required to wear race suits. Cars and Crews will be released at 20:30 or earlier at the discretion of the Chairman.

Cocke County Courthouse
111 Court Ave
Newport, TN 37821
35.966988, -83.184798

10.2 10.2 PARC EXPOSÉS 2 & 3

Each leg will start with a short (30 minute) Parc Exposé in the service area. The purpose of these short Parc Exposés is simply to line up for an orderly start to the day. Cars are required to be in place by the time in the schedule provided in the Supplementary Regulations, but crews need only arrive in time to leave on their assigned minute and attend the driver's meeting.

Newport Speedway
767 Industrial Rd, Newport, TN 37821
GPS: 36.017782, -83.207620

11 SCRUTINEERING

11.1 SCRUTINEERING LOCATION

Scrutineering will take place at Newport Speedway. Scrutineering will use the ARA tents in the infield. Teams will need to drive their car to the Scrutineering location. Teams are required to unload in their service location or outside of the service park before driving the car to scrutineering.

Newport Speedway
767 Industrial Rd, Newport, TN 37821
GPS: 36.018880, -83.208955

11.2 SCRUTINEERING LOCATION PLAN

Plan is located in Appendix 1 – Site Plans.

11.3 SCRUTINEERING APPOINTMENTS

Scrutineering appointments may only be made online through the booking system by the time and date in the Schedule (Appendix 3 - Stage Schedule with Service Times). A link to the Scrutineering Appointment form has been provided in the "Pre-Event Forms" folder on Sportity

11.4 LOGBOOKS

If a new logbook is needed, an appointment must be made by contacting Doug@ara-rally.com as soon as possible. There is no plan to distribute new logbooks at this event.

11.5 RALLYSAFE

This event will use RallySafe in accordance with ARA Bulletin 2026-3. Rental wiring kits can be purchased during the registration process for $40. RallySafe wiring kits must be installed and ready for inspection prior to presenting the vehicle for scrutineering. RallySafe units will be distributed at scrutineering.

11.6 EVENT DECALS AND VINYL

All event decals and vinyl must be installed prior to presenting the vehicle at scrutineering. This includes the entire ARA Visual Package and all event provided decals and vinyl. Competitors may purchase the right to refuse event advertising.

The event will also be providing a hood decal (rally plate) similar to those used in the World Rally Championship as part of the organizer supplier advertising package. The decal is 14" X 9" (35 X 23 cm). Placement must be on the hood (bonnet) area of the competition vehicle, but exact placement is at the discretion of the competitor.

Parc Fermé Plan - Saturday

14 APPENDIX 2 - DIRECTIONS TO STAGES

Weaver Bend Start GPS: 35.927330, -82.951360

Newport Speedway
767 Industrial Rd, Newport, TN 37821

1. Head east toward Industrial Rd
331 ft
2. Turn right onto Industrial Rd
3.1 mi
3. Turn left onto US-25E S/US-25 E South
0.8 mi
4. Use any lane to turn left onto W Broadway St
Pass by NAPA Auto Parts - MISTER AUTOMOTIVE OF NEWPORT INC (on the left in 0.4 mi)
2.5 mi
5. Continue onto US-25 S/US-70 E/E Hwy 25 70
Continue to follow US-25 S/US-70 E
14.5 mi
6. Turn left onto Weavers Bend Rd
Destination will be on the left
0.7 mi

Weavers Bend Rd
Del Rio, TN 37727

Weaver Bend Finish GPS: 35.960550, -82.934410

Newport Speedway
767 Industrial Rd, Newport, TN 37821

1. Head east toward Industrial Rd
331 ft
2. Turn right onto Industrial Rd
3.1 mi
3. Turn left onto US-25E S/US-25 E South
0.8 mi
4. Use any lane to turn left onto W Broadway St
Pass by NAPA Auto Parts - MISTER AUTOMOTIVE OF NEWPORT INC (on the left in 0.4 mi)
2.5 mi
5. Continue onto US-25 S/US-70 E/E Hwy 25 70
Continue to follow US-25 S/US-70 E
13.5 mi
6. Turn left onto TN-107 E
4.8 mi
7. Turn right onto Brush Creek Rd
0.3 mi

Cocke County
Tennessee

To access either **The Gulf of Tennessee Start or Finish**, begin with this GPS Point, then follow further instructions below: 35.830611,-83.057083

Newport Speedway
767 Industrial Rd, Newport, TN 37821

Follow Industrial Rd to US-25E S/US-25 E South

4 min (3.1 mi)

1. Head east toward Industrial Rd

331 ft

2. Turn right onto Industrial Rd

3.1 mi

Take I-40 E to Hartford Rd in Hartford. Take exit 447 from I-40 E

20 min (15.2 mi)

3. Turn left onto US-25E S/US-25 E South

0.8 mi

4. Use any lane to turn left onto W Broadway St
   Pass by NAPA Auto Parts - MISTER AUTOMOTIVE OF NEWPORT INC (on the left in 0.4 mi)

1.1 mi

5. Turn right onto US-321 S
   Pass by Burger King (on the left in 1.3 mi)

1.5 mi

6. Turn left onto the Interstate 40 E ramp to Asheville

0.2 mi

7. Merge onto I-40 E

11.5 mi

8. Take exit 447 for Hartford Rd

0.1 mi

Follow Big Creek Rd to Gulf Rd

17 min (8.5 mi)

9. Turn left onto Hartford Rd

0.1 mi

10. Turn left onto Big Creek Rd

8.3 mi

11. Slight right onto Gulf Rd

56 ft

Big Creek Rd
Del Rio, TN 37727

To access the Start of The Gulf of Tennessee, from the GPS point, turn down Gulf Rd, following the sign for Martha Sundquist State Forest. The start of The Gulf of Tennessee is 3.8 miles from this intersection of the GPS pin. The GPS coordinate of the start is 35.793420,-83.020500 (Google maps instructions to this point are not included)

To access the Finish of The Gulf of Tennessee, from the GPS point, turn down Gulf Rd, following the sign for Martha Sundquist State Forest. Proceed 2.3 miles and then turn left. There is a large brown wooden notice board at this intersection. The finish of The Gulf of Tennessee is 1.0 miles from this intersection. The GPS coordinate of the finish is 35.809937,-83.028697 (Google maps instructions to this point are not included)

There are two creek crossings about 0.15 miles from the previous turn before the Finish of The Gulf of Tennessee. Depending on road conditions, not all recovery vehicles may be able to navigate this crossing, especially if you are towing a trailer.

There is a campsite to the right just before the creek crossing that would be an excellent place to drop your trailer.

If your recovery vehicle cannot pass the creek crossing, it is recommended to enter the stage at the start, retrieve the vehicle and exit the stage at the midpoint described below.

To access **The Gulf of Tennessee Midpoint at Stage Mile 6.8**, follow instructions below to get to the start of the Wasp stage at this GPS Point: 35.865460, -82.982680

Newport Speedway
767 Industrial Rd, Newport, TN 37821

Follow Industrial Rd to US-25E S/US-25 E South
4 min (3.1 mi)

1. Head east toward Industrial Rd

331 ft

2. Turn right onto Industrial Rd

3.1 mi

Take US-25 S/US-70 E to TN-107 W in Del Rio
21 min (13.6 mi)

3. Turn left onto US-25E S/US-25 E South

0.8 mi

4. Use any lane to turn left onto W Broadway St
   Pass by NAPA Auto Parts - MISTER AUTOMOTIVE OF NEWPORT INC (on the left in 0.4 mi)

0.9 mi

5. Turn left onto McCabe Ave

0.1 mi

6. Turn right onto W Main St

0.5 mi

7. Turn right onto McMahan Ave

335 ft

8. Turn left onto E Broadway St

1.0 mi

9. Continue onto US-25 S/US-70 E/E Hwy 25 70
   Continue to follow US-25 S/US-70 E

10.2 mi

Follow TN-107 W to Round Mountain Rd
11 min (6.4 mi)

10. Turn right onto TN-107 W

6.0 mi

11. Turn left onto Round Mountain Rd

0.4 mi

5004-1430 Round Mountain Rd
Del Rio, TN 37727

From the above GPS point, continue down the road and turn right onto the side road 11.32 miles from the GPS point. Continue 1 mile and take the right fork right onto The Gulf of Tennessee stage, entering at stage mile 6.8. The GPS coordinate of the midpoint access for The Gulf of Tennessee is 35.793018, -82.968916 (Google maps instructions to this point are not included)

This is also a location that can be used to exit the stage and return to the service park should the vehicle have been disabled in the first 6.8 miles of the stage.

5004-1430 Round Mountain Rd
Del Rio, TN 37727

To access Wasp Finish: Use the above Wasp Start GPS point

*Wasp Finish CANNOT be accessed directly from Service due to sharp turns in the stage. The finish is best accessed by navigating to the start of Wasp, then driving the stage. At 6.30 miles from the Wasp Start GPS pin, turn into the forest and continue through the stage towards the finish. The GPS coordinate of Wasp Finish is 35.861171,-82.928708 (Google maps instructions to this point are not included). To return to Newport from this area, it is recommended to drive out through the Wasp stage (counterrally).

Low Gap Start GPS: 35.891615, -83.136828

Newport Speedway
