The Stewards, have received a report from the FIA Technical Delegate (Doc 6.4), seen the photo evidence, have considered the following matter, determine the following:

Fact: The driver of the car No 58 was not outside of the car during refuelling

Offence: Breach of Art. 61.2.7 of the 2023 FIA RRSR

Decision: Fine penalty of 200 EUR to the driver Matteo FONTANA

In accordance with Article 12.8 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail suspension during the period the fine remains unpaid.

Reason: The FIA Technical delegate reported by Doc. 6.4 on 17th June 2023 at 17:15 that the driver of the car No 58 during refueling was not outside the car.

The photo confirms that the driver's location does not fulfill the requirement set out in the Art. 61.2.7 of the 2023 FIA RRSR.

After consideration, the stewards came to the conclusion that incomplete fulfillment of the requirements does not ensure proper compliance with the rules. And does not help to achieve those goals for which the rules are needed. Does not help to ensure safety. This does not absolve the offender of responsibility.

It is further to be noted that the Stewards issued Communication No 02 (item 4) concerning Refuel Zones, reminding all competitors about the above-mentioned article, specially highlighting that it is required that the crew remain outside the car during refueling.

The Stewards considered breach of Art. 61.2.7 of the 2023 FIA RRSR and decided to levy a fine.

The decision is based on the 2023 FIA ISC Art. 11.9.1, Art. 11.9.3.a, Art. 11.9.3.f and Art 12.4.1.c.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
